## THREE RUNNERS IN ONE FAMILY ARE CHAMPIONS MT. GLEN NEWS

LOUIS GORDON.

JIMMY LEE,  
Coach.  
WILLIE GORDON.

FREELAND GORDON.

Quite the most remarkable athletic family in the world at the present time is found in Yonkers, N. Y.—the Gordons. Willie, Louis, and Freeland Gordon have been cutting great capers on the cinderpath of late. A year ago all were novices, but today Willie and Louis hold championships won in national competition, and Freeland is conceded to be ready for the honor, and far away the most promising runner of the three.

It's not a hard task to find three athletes in one family, but three brother champions at the middle distance game at the same time is indeed a rarity. Jimmy Lee, former Boston professional runner, who has coached the Gordon brothers from the time they broke their novices, figures that the three, at their best, would all finish within five yards in a three-quarter mile race.

Pendleton, Jan. 6.—There will be a basketball game next Friday night in the high school gymnasium between the local high school and the M. I. A. team of La Grande. The local team is improving in dexterity and knowledge of the game each day, and it is thought that under the care of Coach Livingston, the team may become one of the best in the state before the season is over. Many men are getting out regularly each night and Coach Livingston has arranged them into leagues. Arrangements are to be made for a good crowd Friday night and there will probably be a game between the first and second

girls' team, in connection with the M. I. A. and Pendleton game. The game will commence about 7:30.

Jan. 12th has been agreed upon for the big bowling game with Pendleton which will take place on the Club alleys. Should the home team win from Pendleton in this match there will be a game on the Pendleton alleys to give them a chance to get even. This will be one of the season's big sporting events and should be well attended.

### TIME IS THE TEST.

The Testimony of La Grande People Stands the Test.

The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time.

La Grande people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills, they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? Below is testimony such as the sufferer from kidney ills is looking for.

Mrs. M. Pike, 101 Greenwood St., La Grande, says: "One of our family had weak kidneys, and the result was backache. This one found it very hard to straighten after stooping and on doing so, sharp twinges darted through the back. After using Doan's Kidney Pills a short time, great relief was had. Statement given May 20, 1910.

OVER A YEAR LATER, Mrs. Pike said: "We are still enthusiastic in praise of Doan's Kidney Pills. We still use them with good results." Price 50c at all dealers. Don't

simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Pike recommends. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

### Notice of Stockholders Meeting.

The annual meeting of the stockholders of the Cove State Bank of Cove, Oregon, will be held at the banking room on January 12, 1915 at 10 o'clock a. m., for the purpose of electing directors for the ensuing year and for the transaction of such other business as may properly come before the meeting.

Cashier.

### Women of Sedentary Habits:

Women who get but little exercise are likely to be troubled with constipation and indigestion and will find Chamberlain's Tablets highly beneficial. Not so good as a three or four mile walk every day, but very much better than to allow the bowels to remain in a constipated condition. They are easy and pleasant to take and most agreeable in effect. Obtainable everywhere.

### Notice of Dissolution.

Notice is hereby given that the firm known as Pearce & Johnson, carpenters and repair shop, at 1408 Adams, has been dissolved and Mr. Pearce will continue the business, Mr. Johnson retiring. Mr. Pearce will collect all bills and pay all indebtedness.

## BE PRETTY! TURN GRAY HAIR DARK

Look young! Nobody can tell if you use Grandmother's simple recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this famous old recipe for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy.—Adv.

Children's Coughs—Children's Colds Both are Serious can pay their accounts at the old location of the company in the Gardiner building.—Adv. 1 2 tf.

When one of your little ones shows symptoms of an approaching Cold, give it Dr. Bell's Pine-Tar-Honey at once. It acts quickly, and prevents the Cold growing worse. Very healing—soothes the Lungs, loosens the mucous, strengthens the system. It's guaranteed. Only 25c at your Druggist. Buy a bottle today. Bucklen's Arnica Salve for Sores.

ELECTRIC LIGHTS WERE INVENTED TO SUPPLY

A NECESSITY. ALL OTHER METHODS OF CREATING ARTIFICIAL light were unsatisfactory. Candles

were dim and unreliable; gas, dirty and dangerous; kero-

sent, dull, smoky, odorous and also dangerous to health

and property. When electric lights were introduced there

was but one drawback. They cost considerably more than

other lights. This objection has been overcome and elec-

tric lights are now the most economical as well as the

most satisfactory light.
