TIME IS THE TEST.

The Testimony of La Grande People Stands the Test.

The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time.

La Grande people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills, they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? Below is testimony such as the sufferer from kidney ills is looking for.

Mrs. M. Pike, 101 Greenwood St., La Grande, says: "One of our family had weak kidneys, and the result was backache. This one found it very hard to straighten after stooping and on doing so, sharp twinges darted through the back. After using Doan's Kidney Pills a short time, great relief was had. Statement given May 20, 1910.

OVER A YEAR LATER, Mrs. Pike said: "We are still enthusiastic in praise of Doan's Kidney Pills. We still use them with good results."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Pike recommends. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.
