DAISY CADETS ELECT CHIEFS

PROMISING ORGANIZATION OF YOUNGSTERS GROWING.

Manager Seeks Basketball Games Sportsmen This Evening.

Friday evening the annual election of officers of the Daisy Cadet club resulted in Albert R. Currey succeeding George McDonald as president and Ralph Westering as succeeded by Oscar Johnson as secretary-treasurer.

"WILD BILL" DONOVAN NOW BIG LEAGUE MANAGER.

"Wild Bill" Donovan, once one of the greatest of baseball pitchers, has been selected as the manager of the New York American League Club, just purchased by Jacob Ruppert and T. L. Huston. He will take the place left vacant by Frank Chance, who gave up the job of trying to make a pennant contender of the club.

Donovan went to the Providence club of the International League last season and took it from the bottom to the top. When the Baltimore International League Club was broken up by the sale of star players it left the way open for another to win the pennant. Donovan made the race and won at last. He showed qualities which it is believed by his backers prove he is a very able manager. In fact, he has been given credit for much of the success of Hugh Jennings manager of the Detroit club of the American League. He is said to have been the chief adviser of Jennings in the days when the club was regularly winning the American League pennant.

This organization has been active in athletic circles for the past eight years winning the Eastern Oregon championship in their class in basketball over Union and Baker last season.

Ray Winters is captain of the team and Earl Reynolds is manager. A committee has been selected to arrange games with Pendleton, Baker Union, Elgin, Cove and North Powder. The club is composed of five wires and the public will undoubtedly hear from them during the coming season of activities.

This evening at 5:30 o'clock, in the office of Secretary A. A. Wenzel, the sportsmen of this city will meet to elect officers for the coming year and look after such other matters as may come before them. It is proposed to call the meeting early that it may not interfere with the dancing party this evening.

At 8 o'clock tonight the directors of the Amateur Basketball league will meet at the Y. M. C. A. office in the bank building to select an available list of referees and umpires for the scheduled season. As practically all who have playing experience with the rules are either members of one of the teams, or affiliated in some way, the directors will have to go out on a still hunt to find suitable officials. It is planned to open the league before the Y. M. C. A. gym is ready, so that the schedule may not be curtailed or delayed. The first game will be played Wednesday night.

La Grande bowlers are awaiting the arrival in the city tomorrow of the Pendleton pinmashers, against whom the La Grande bowlers are to be pitted tomorrow night.

An extra large attendance is expected in view of the keen interest taken both by Pendleton and La Grande pin destroyers.

Haines and Union High School met on the basket ball floor last Saturday night and the result was a lopsided score of 68 to 8 with the home boys on the long end of the score.—Union Scout.

Listen to this burst of bad temper: "The Union Feds took some of the conceit out of the M. I. A. basket ball team the vaunted athletic champions of Eastern Oregon, Monday night on the latter's home floor. The Union boys were handicapped by a long cold ride but went into the game with a vim that swept the heavier team all over the floor for the first half. The score at the half stood 7-14 for the Union team. By running in a number of fresh players the M. I. A. team managed to nose out by two lonesome points at the finish. Unless the La Grande athletes can make a better showing when they come to Union the home team will make them look like thirty cents.—Union Scout.
