## IF KIDNEYS AND BLADDER BOTHER

Take a glass of Salts to flush out your kidneys and neutralize irritating acids.

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a table-spoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.

COVE MACHINE IGNITED IN CAR SHED.

Owner Escapes in Nick of Time to Save His Own Skin.

Cove, Ore., Jan. 9.—(Special.)—Nathan Daron after putting his car in the shed and turning the water out of the engine saw a light underneath the machine and before he could get out of the shed it was ablaze, but he was fortunate to escape uninjured. The fire started supposedly from a spark from the engine. The machine was a Mitchell. The shed and machine were burned to the ground in almost an instant. Insurance partially covered the loss.

last evening which also reelected the other officers, as follows: John Schmitz, vice president; H. A. Sonne, cashier; Walter Fernald, George Stoddard, M. D. Clifford, M. Weil and Edward Burke, directors. The bank's surplus fund was increased from \$40,000 to \$45,000.

Mr. Pollman was also elected president of the First National bank at last night's meeting. The stockholders also reelected the other officers of the bank as follows: J. H. Parker, vice-president; T. G. Montgomery, cashier; J. N. Teal, George Chandler, J. H. Parker, John Schmitz and William Polman, directors.

**How the Trouble Began.**  
 He had been reading the paper and occasionally repeating to her some item that seemed particularly interesting. Thus it happened he ran across an item about the invention of a machine for washing babies.

"They'll have machines for washing babies next," he suggested.

"Huh!" she exclaimed indignantly. "I'd just like to see my baby washed by a machine!"

"So would I," he returned.

He afterward explained to some one at the club that it was an exhibition of the insincerity of woman, for, while he had done absolutely nothing but agree with her, she was so displeased that he found it impossible to read his paper in comfort.

**A Stubborn Husband.**  
 "My husband is one of the most stubborn men in the world."  
 "He can't be any more stubborn than mine."  
 "Oh, yes; I'm sure he must be! Yesterday I had an engagement to meet him at 3 o'clock."  
 "Yes?"  
 "Well, it was nearly 4:30 when I got there, and he won't admit yet that the rest he got while he was waiting did him good."—Kansas City Star.

 The mechanical work must be equally as careful as the examination itself. The prescription must be filled with Scientific Precision. This is done in our own Laboratory on the Premises, where we grind all of our own lenses.

We guarantee our lenses to be absolutely correct, scientifically and mechanically.

**Fitting and Adjusting.**  
 The glasses must be made up in frames or mountings that will be suited to each individual case. The appearance of the glasses, when worn, must be considered. We provide mountings to harmonize with the features and give handsome and stylish effects.

**Specialties.**  
 We prescribe toric glasses when their use adds comfort.

When the eyes require different lenses for near and distant vision, we supply bifocals with an invisible dividing line, so that only a single pair of glasses is needed.

We have all kinds of specialties in frames and nose pieces, shell frames, special designs and shapes to suit and fit all requirements.
