## Have What He Likes TO-NIGHT

Good Cooks, we know, like to exercise their skill.

They like to serve their own creations.

But in some lines, Madam, specialists, do better.

They get better materials; they have better facilities; and they've searched the world sometimes, to get a faultless recipe.

That is true of Heinz Baked Beans.

Young men folks like them — like beans baked this way; they like them so well that restaurants where men lunch serve Baked Beans.
