Chandler Will Return to Jail.

Baker, Jan. 16.—According to information received by Sheriff Price Anderson yesterday, the bondsmen of Rube Chandler are to give him up to the authorities. Chandler is out on \$1000 bail awaiting trial at the next term of circuit court on an indictment charging assault and battery. This indictment grew out of the trouble at Haines last October, when an attempt was made to "beat up" Marshal Davis.

Chandler's bondsmen phoned yesterday that they would surrender him and were informed that they would have to deliver him to the sheriff here. He has been in La Grande and it was expected that officers from that place would arrive with him yesterday but they did not get here, so possibly Chandler could not be located at once.

Solicitors Will Raise Funds.

Baker, Jan. 16.—The question of financing a Baker county exhibit was the subject of a lengthy discussion at the Commercial club last evening by some of the members of the present board, members of the old board and other business men of the city. The upshot of the meeting was the appointment of Fred Phillips as chairman of a committee to take up the matter of soliciting funds, the chairman to appoint his own assistants. Arrangements were made at once by auto owners present to take their machines and start out Monday to visit as many portions of the county as possible and see the people who will be directly interested and ascertain if they are willing to subscribe to the exhibit fund. Many ranchers and fruit growers who are directly interested and who will be directly benefitted by the exhibit, have already signified their willingness to help finance it, and it is believed that considerable of the necessary amount can be raised from this source.

THE JENNINGS BROTHERS.

Be at the theatre early as the house will be packed. Big matinee at 2 o'clock sharp. Children 10c, adults, 15c.—Adv. 1 16 ft.
