SPIRIT OF LIBERTY.

The spirit of liberty is indeed a bold and fearless spirit, but it is also a sharp sighted spirit. It is a cautious, sagacious, discriminating, far-seeing intelligence. It is jealous of encroachment, jealous of power, jealous of man. It demands checks, it seeks for guards, it insists on securities. It intrenches itself behind strong defenses and fortifies itself with all possible care against the assaults of ambition and passion. It does not trust the amiable weaknesses of human nature, and therefore it will not permit power to overstep its prescribed limits, though benevolence, good intent and patriotic purpose come along with it. Neither does it satisfy itself with flashy and temporary resistance to illegal authority. Far otherwise. It seeks for duration and permanence. It looks before and after, and, building on the experience of ages which are past, it labors diligently for the benefit of ages to come.—Daniel Webster.

\$3500 Farm Wanted

 THIS POLICY HAS MADE GEO. H. CURREY SUCCESSFUL.
 His agency has earned the reputation of getting results in the Real Estate market because of his square and open dealing. He looks after the interests of both buyer and seller, brings both parties together to discuss terms, etc., writes a satisfactory contract, and does business strictly on a commission basis.

 We have a good trading proposition for a farm or dairy ranch valued at about \$3,500.
 A business invoicing at about \$1,000, making a profit of \$75 to \$100 monthly, a 4-room house on 60x110 foot lot, and a 6-room house, barn and chicken house on 1 acre—20 fruit trees—place well improved, located in South La Grande. Owner will consider part trade in cows or horses, wagon, etc., and balance for cash, with reasonable terms or for farm land in Union county. If this sounds good, let us know what you have.
