THE WOMAN BEAUTIFUL.
 remains beautiful as a rule only when she avails herself of the most approved methods of retaining the freshness of her complexion. The right way to care for the skin is to feed it. San Tex Cold Cream. It is essentially a skin food and tissue builder. It is absorbed by the pores, removes impurities, quickens the circulation of the blood in the external tissues, rounds out the muscles and makes the skin firm and fair. Is invaluable also for development of the figure.
 Perfectly Harmless. Price—25c and 50c. Newlin Drug Co.—Adv. 1 18 tf.

Sheriff Hug went to Prosser, Washington, yesterday to take in charge Henry Workman, of Elgin, arrested by officials of the Washington city on information from the local authorities charging wife desertion.

John Perley, an aged resident of this county was yesterday committed to the Eastern Oregon hospital at Pendleton, Geo. E. Raham, an attendant of that institution taking him to Pendleton last night. Mr. Graham is a brother of Dr. Graham of this city.

Belgians Cannot Come Just Now.
 Lincoln, Neb., Jan. 19.—Belgium cannot now co-operate with organizations of Nebraskans or with citizens of other states to organize a movement to place on farms in this country desirable immigrants from that stricken land. A letter from Minister Havenith of Belgium to Secretary Whitten of the Lincoln Commercial club conveys this information.

That letter came in reply to one sent by Secretary Whitten to Secretary of State Bryan, which Mr. Bryan turned over to the Belgian minister. In his communication, Mr. Whitten emphasized the desirability of making an organized effort to choose the best of the Belgian farmer class who are expected to leave Europe as soon as they can, and place them on farms in the middle west.

The Belgian minister expressed his gratification at the interest taken in his people by the people of Nebraska, but he says that under the present conditions it would be impossible to take up any such plan just now, but that he would be glad to cooperate in such a movement later.

"YES, SERVE CAMPBELL'S TOMATO SOUP"
 "Prepare it as a Cream of Tomato, Please"
 This is done as easily as said; and almost as quickly. Simply heat the contents of the can and an equal quantity of milk separately. Bring them to a boiling-point but do not let them boil. And when ready, to serve (take them from over the fire and pour the hot soup into the hot milk—this prevents curdling. The whole process doesn't require over three minutes, and you have as fine a cream-of-tomato soup as you ever tasted.
