The Tireless Performer

Funny stories, speeches, comic songs, the most classical music or rag time, marches, grand overtures by brass bands or full orchestras and magnificently executed solos can be heard over and over again without variation in quality if you have an

Victrola or Edison Disc Phonograph

in the house. Think of the pleasure and the education that can be derived from one of these instruments. New records coming out every month, so you will never weary.

Come in and hear one of these machines play. In clearness and distinctness, as well as beauty of tones, no machine has yet been made to equal these in their faithful reproduction of the original selection.
