ELGIN STORE MOVES HOME

BIGGER QUARTERS PROVIDED FOR GROCERY CO.

Elgin News and Personal Mention Culled from the Recorder.

(Elgin Recorder.)

The Elgin Grocery Company, J. M. Shoemaker & Son, has rented the store room in the Blumenstein building, now occupied by the City Cigar store, and will move their merchandise stock into it some time in February. The exact date of the move is not known now, it depending somewhat upon when the proprietors of The City Cigar store can find suitable quarters for their business.

The present quarters of the Elgin Grocery company have long been too small for their business and the larger room will give them better opportunities to care for their business. C. E. Reiber had the misfortune to have his right leg broken, above the knee, last Friday, by a log which rolled on him.

Dutch Barnes is repairing Robert Smith's auto, which ran off a bank last fall, and will take it to Joseph for Mr. Smith, as soon as traveling conditions will permit.

The Pythian Sisters desire a good attendance at their meeting the first Thursday in February, to prepare for special work. Refreshments will follow the meeting—Knights take notice.

Ed Tuttle has been suffering from blood poisoning in his right hand, caused by a cut which he received about two weeks ago while butchering. For awhile it looked as if he might lose his hand, but the danger seems to be over, as the hand is healing.

Mrs. Sherwood Williams and Mrs. John Witty entertained friends at Five Hundred, Friday. Nine tables were present. A dainty two-course luncheon was served. Ten couples of Imbler young people surprised Walter Wade with a Chivari last Saturday night. He and his bride have just returned from a trip through the Panama Canal by way of New York. Don Meyers returned from Portland Wednesday having delivered two car loads of hogs for Portland markets. The people of Imbler were shocked last Saturday when the report of the sudden death of Leonard Billings became known, as he was thought by everyone to be getting along nicely. He was born in Manti, Utah, Jan. 28, 1865, and is survived by his wife and six children, four girls and two boys, all of which, with the exception of one daughter, are residents of Imbler. Five of the 13 who took the eighth grade state examination were awarded diplomas. They were Florence Bergold, Eula Watkins, Violet Larson, Keller Strinkham and Harry Cleaver.

Thousands of people keep on suffering with Neuralgia because they do not know what to do for it. Neuralgia is a pain in the nerves. What you want to do is to soothe the nerve itself. Apply Sloan's Liniment to the surface over the painful part—do not rub it in. Sloan's Liniment penetrates very quickly to the sore, irritated nerve and allays the inflammation. Your money back if not satisfied, but it does give almost instant relief.

Parcel Day, Wednesday Feb. 3.

I, F. J. Lafky, city manager, in view of the fact that many of our worthy citizens of our fair city, on account of lack of employment and in many cases through no fault of their own have been unable to provide the necessities of life for themselves and their families of children and in view of the fact that the charitable organizations of the city are able to economically distribute such necessities through the recent organization of associated charities. Therefore I designate and set aside Wednesday, February 3rd, as parcel and bundle day and call upon all my fellow citizens who may be able to do so to bring to the

Bad Cold Quickly Broken Up.

Mrs. Martha Wilcox, Gowanda, N. Y., writes: "I first used Chamberlain's Cough Remedy about eight years ago. At that time I had a hard cold and coughed most of the time. It proved to be just what I needed. It broke up the cold in a few days, and the cough entirely disappeared. I have told many of my friends of the good I received through using this medicine, and all who have used it speak of it in the highest terms." Obtainable everywhere.—Adv.

Women of Sedentary Habits:

Women who get but little exercise are likely to be troubled with constipation and indigestion and will find Chamberlain's Tablets highly beneficial. Not so good as a three or four

mile walk every day, but very much better than to allow the bowels to remain in a constipated condition. They are easy and pleasant to take and most agreeable in effect. Obtainable everywhere.

KING COAL

Do you buy coal just to spend your money, or do you want heat units? If so, buy coal

WITH A REPUTATION

The U. S. Government purchases coal based on British Thermal Units of heat only. If you are interested in your fuel bill call at our office and ask to see a copy of the Government Bulletin No. 22, Department of Interior, Bureau of Mines.

FUEL IS CASH

Yes, we ask cash, because we give you two thousand pounds of coal to a ton, and we know from years of experience that the firm who extends credit on fuel has to eat your weight from 500 to 600 pounds on a ton or go out of business in a short time. We have no scales but pay 10c each load we deliver.—ASK FOR YOUR WEIGHT SLIPS.
