Liturgical Study.
The Rev. Upton H. Gibbs is desirous of forming a class for the study of liturgical. This deals with the principles, theory and practice of worship. It is not only highly instructive but also interesting. The class is not to be confined to members of his own congregation, but to all who would like to learn something about this fascinating subject. A preliminary meeting to discuss the formation of such a class and to arrange a suitable time for its sessions, will be held in St. Peter's church on Thursday evening at 7:30.

Flour Price Corrected.

The price of None-to Equal flour is \$1.85 instead of such quotation as is given today.

Livestock Increasing.

For the first time in many years, information collected by the U. S. Department of agriculture shows that all classes of live stock in the United States are increasing in numbers. Thus the real facts contradict absolutely, sensational reports that prices for meat and shoes would rise to unprecedented figures in the immediate future. It has even been said that a government statistician predicted meat at 50 cents a pound and shoes at \$10.00 a pair within the next two years.
