as Spring arrives  
these lands will

You had better  
investigate before  
it is too late.

acre; \$1.50 per year.

Palmer Lands are located about 30 miles from La Grande and 10 miles from Elgin. Palmer Junction, where there is a general merchandise store, is on the O. W. R. & N. etc., is from one to 4 miles of these lands. These lands have been stumped for several years and the cost of clearing is low compared with most logged off lands. The soil is a rich deep pine ash. This is a natural hay and stock country. Vegetables and fruit have been raised with excellent results in a dry farming country, well covered with living creeks and springs; the annual rainfall being about 30 inches. The price of these lands is only \$15.00 per acre, \$1.50 down and the balance payable in payments of the same amount; interest at 6 per cent show you photographs and explain further in detail.

After taking this I bought half a dozen bottles of it but only used one of them as the cough left me and I have not been troubled since." Obtainable everywhere.—Adv.
