are NEVER right, because atrophine, the drug used, PARALYZES the very muscles that tell us when our work is done properly. I would have you know and it is my purpose to impress upon your mind, that drug treatment of the eye troubles, caused by eye-strain, is not only USELESS but ACTUALLY CRIMINAL, and that a recurrence of the trouble may be expected unless the cause is removed.  
If you need medical treatment I will tell you so, as I never fit glasses where they are not needed.
