SUGAR ADDITION

I have a modern 7-room house all connected up with the sewer and two lots 100x113 ft. that I will sell for \$2000 with a small payment down and \$10.00 and interest per month. Also have 20 of the best lots left which I am offering for \$200.00 per lot with the small payment of \$10.00 down and \$10.00 per month. This is an opportunity to get a home on easy terms and no better land to grow a garden on. Good permanent water right goes with these lots. New houses are going up on many of these lots that I sold last year.

Call and see me at my office on Depot street or at my grocery store on Adams Ave.

IMBLER SHOW IS POPULAR ONE

Imbler, Oregon, Feb. 18.—(Special) Burt Oakman, district deputy for the Modern Woodmen of America, is in town drumming up candidates and arranging to organize a local camp as soon as a sufficient number of new members can be secured. At present Imbler has no secret order and this is a good opportunity to institute, as we already have a number of M. W. A. members and a suitable meeting place. A group of students from Summerville high school invaded Imbler last Thursday and notebook and pencil in hand, enjoyed several lectures on testing milk and judging milk cows.

The program and social staged by Imbler ladies on the evening of Feb. 12 was a success in every respect. The seating capacity of the Amusement hall was taxed by a crowd estimated at 300 more than two hundred adults coming in by ticket. The program was well rendered and appreciated. Sherwood Williams sang "Tipperary" so sympathetically that the audience joined in. A neighbor reports that "Shep" had practiced all week on his hogs out on the ranch. The program committee requested that the "District School" be made comical and their instructions were carried out fully and satisfactorily, even to the "up-to-date" machine which transformed Mrs. Barrett into a ducky "end man." Following in the program as rendered:

Piano Solo Ethel Pearson
Recitation Gail Tucker
Vocal Solo Sherwood Williams
Recitation Wilma Gaskill
Vocal Solo D. C. Wilson

Why Take Chances on Having Your Watches Destroyed?

by placing them in the hands of incompetent workmen this is sure to happen. We can refer you to watches we have kept in repair for over twenty years and they are as good today as when they left the factory. We do nothing but first class watch, clock and jewelry repairing and guarantee every piece of work done. Do not take any unnecessary chances. we will lend you a good time keeper whilst we repair your own.

Refreshments were served following the program and then the young people took possession of the floor and played so temptingly that several whose locks were spotted with gray, or almost too scarce to be "spotted" at all, were prevailed upon to indulge. Mrs. Barrett deserves much credit for her efficient management, as also do other members of the Aid.

Robert Withycombe, manager of the Experiment Station at Union, spent Friday and Saturday in our midst aiding the O. A. C. men in conducting the last two days of the institute. "Bob" is a popular man in every section of the country, because the farmers are beginning to realize that the "Station" is their friend and the manager enjoys nothing better than convincing some skeptic the latter fact. Our latching is always out for "Bob."

Rev. Dressler, of Summerville, and formerly pastor of the local M. E. church, was visiting friends here last week.

The special bible study class meeting after the regular Sunday School each Sunday morning is proving of intense interest to all who attend the same at the M. E. church. Henry McGoldrick is in charge and anyone is welcome to be present. Subject for Feb. 21, "Obedience."

The following Imbler people were in La Grande on business or pleasure during the past week: Mr. and Mrs. George Cleaver and daughter, Marvel, Tom Page, Guy Gleen and family, I. A. Bingaman, Mrs. Walter Westfall, William Wiggins, D. C. Wilson, W. V. Connor, Mr. Kirkoff, "Ted" Conklin, Mr. and Mrs. Charley Squire.

Mrs. Stevenson, of Elgin, is visiting with her daughter, Mrs. William Wiggins, Vivian, the daughter of Mrs. Wiggins, is ill at the present time, but at this writing, Dr. Barrett was undecided as to the nature of the illness.

Professor Thompson descended upon us Friday, followed by more than a score of Summerville public school students, who took in not only the O. A. C. lectures but also the new school building, which they thoroughly inspected from basement to roof.

Charley Cleaver and son Harry were in Pendleton Sunday visiting the wife and mother who is too ill to return to her home.

Rev. Winters of La Grande has arranged to be in Imbler and conduct the regular quarterly meeting at the local M. E. church on the evening of March 1.
