MILL FOREMAN RETURNS Perry Family Enjoy Trip to Prosperous Cache Valley.

Perry, Feb. 20.—(Special).—J. J. Hogensen, railroad construction foreman for the Grande Ronde Lumber Co., and his wife, returned Friday morning from an extensive two months trip to Mr. Hogensen's old home in Newton, Utah. They spent considerable of their time visiting with relatives and friends in Cache valley and Ogden valley. Mr. Hogensen says the people in that part of the country are extremely prosperous. This is a farming country and prosperity is seen on every hand. Automobiles, fine houses furnished with all the luxuries that could be desired are not unusual says Mr. Hogensen. While at Logan, he attended the Farmers' Round-up at the Agricultural college. This Round-up is quite different from the Wild West broncho bustin' and bull dogging round-ups. In these farmers round-ups demonstrations of all kinds as regards farming, raising of stock, buying and selling, marketing of crops, transportation, domestic sciences, irrigation, dry-farming—in fact everything pertaining to farm life are displayed in scientific methods. Representatives from the agricultural colleges throughout the country attend these round-ups and they are of unquestionable value, says Mr. Hogensen, to the farmers in solving the many problems which are confronted in connection with the tilling of the soil.

AID THE KIDNEYS. La Grande Suffers Should Take No Further Risk.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor,—why allow themselves to become chronic invalids, when a tested remedy is offered them? Doan's Kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases. If you have any, even one, of the symptoms of kidney diseases, act now, for gravel, dropsy or Bright's disease may set in and make neglect dangerous. Can La Grande residents demand more convincing proof than the following? Frank Allen, Union, Ore., says: "Hard work strained my back and weakened my kidneys. The trouble got a little worse each year. There were

constant grinding pains in the small of my back, and my kidneys were badly out of order. When the trouble was at its worst, I tried Doan's Kidney Pills. They helped me right away, and I continued taking them until every symptom of kidney trouble was gone. For nearly three years there has been no sign of the trouble, so I feel I can safely say my cure is permanent." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Allen had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

ELECTRIC LIGHTS WERE INVENTED TO SUPPLY A NECESSITY. ALL OTHER METHODS OF CREATING ARTIFICIAL light were unsatisfactory. Candles wer dim and unreliable; gas, dirty and dangerous; kerosent, dull, smoky, odorous and also dangerous to health and property. When electric lights were introduced there was but one drawback. They cost considerably more than other lights. This objection has been overcome and electric lights are now the most economical as well as the most satisfactory light.
