**DRINK HOT TEA  
FOR A BAD COLD**

Get a small package of Hamburg Breat Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

**RUB BACKACHE AND  
LUMBAGO RIGHT OUT**

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

**Notice to Public.**

Portland, Feb. 20.—(To the Editor)—It has come to me from several localities in Eastern Oregon that one man, Charles Paull, is representing himself as a special agent and speaker for the Farmers Union. I wish to say to the public that this man is in no way connected with the Farmers' Union, and so far as I can learn has never been asked to speak by members or officers of the Farmers' Union.

**TILLIE'S PUNCTURED ROMANCE  
COMING TO LA GRANDE 26-27**

Marie Dressler in "Tillie's Punctured Romance."

Miss Dressler, supported by the idol of film comedians, Charles Chaplin, and the girl with the wonderful eyes, Mable Normand, is to come to the Arcade theatre on Feb. 26 and 27 in what is declared to be the funniest Keystone comedy ever produced. These three form a combination of film-dom's greatest stars, and they have given their best efforts to make Tillie's Punctured Romance the greatest laugh producer ever put on a screen. Portland poured forth her tribute to this wonderful trio by taxing the capacity of the Majestic theatre for two weeks, the longest run ever enjoyed by any picture in that theatre, and declared Miss Dressler's work of the highest order. The picture is a scream from start to finish, and the last act offers the greatest whirlwind finish that has ever been seen in the comedy line. As one critic says, "Don't miss Tillie's Punctured Romance unless you object to laughing yourself into a jelly." This is the feature which made the record run and broke the record business at the Majestic theatre in Portland.—Adv.

The soil is rich and deep. This is a natural stock and dairy country, while grain, vegetables and fruit are raised with excellent results.
