CHAUTAUQUA ELECTS THREE

BRIGHT YEAR FACES THE ASSO-
CIATION.

Three Directors Elected and Organi-
zation Set for Monday.

New faces were added to the direc-
torate of the Grande Ronde Chautau-
qua association last evening when the

annual meeting of membership ticket
holders was held in the city library.
Mrs. Vincent Palmer, who was elected
last year to fill an unexpired term,
was re-elected for a term of three
years, and F. L. Meyers of this city
and Mrs. C. H. Bidwell of Island City
were chosen as new directors. The
directors will meet a week hence to
perfect the organization in the way
of electing a president, treasurer and
secretary. At the meeting last evening
the membership was given the de-
tail of the program for the coming
year which has been purchased from
the Ellison-White people and is un-
questionably the best talent ever
brought to the local chautauqua stage.
All the talent comes from one bureau,
and many of the worries of the past
in obtaining talent have been elimi-
nated, yet the ultimate results will be
in advance of the past years.
Plans for carrying out the next big
venture of the association which is to
stage the Lyne-McClellan recital
March 16, were taken last evening.

PRESCRIPTION PROBLEMS

To the casual observer there is but little difference between
the drug store of today and the one of twenty years ago. It is
behind the prescription case that the change is greatest. It
takes constant study to keep posted on the many valuable
remedies that are being discovered. We keep posted and also
keep a stock of modern prescription drugs and our prescription
department is equipped with modern apparatus. We have
adopted as our slogan:

QUALITY—SERVICE—RIGHT PRICES.

When you bring your prescription to us you can be assured
that it is being filled by a skilled pharmacist. We charge nothing
extra for our exceptional service.
