Do You Find Fault With Everybody?

An irritable, fault-finding disposition is often due to a disordered stomach. A man with good digestion is nearly always good natured. A

great many have been permanently benefited by Chamberlain's Tablets after years of suffering. These tablets strengthen the stomach and enable it to perform its functions naturally. Obtainable everywhere. — Adv.

15 for a Recipe

Tea Garden Syrup is used thousands of ways in cooking! We want the housewives of the Northwest to tell us how they use it for desserts, for preserving and crystallizing fruit, etc. For the best receipt received we will pay \$75 in gold, and \$25 for the second best. Send as many as you desire. Contest open until September 1st.

Tea Garden Syrup

is delicious and nutritive—it is far superior to and healthful for the children than all corn or glucose syrups.

Pelican Molasses

Is an open-kettle, genuine New Orleans molasses—strictly pure—the best on the market—costs more, but worth it.

FISH MARKET AT TOP NOTCH

LENT FAST ON MEATS SWELLS FISH TRADE.

Grocers Announce No Changes—Good Lines to Select From.

Except to note that Saturday shoppers are to have a choice line of green things to select from, grocers can supply no news of material interest today. Various articles of food that are now coming into the front because of the advent of spring, are being stocked up daily but especially for the Saturday trade.

Because the meat consumption is cut down during lent, the fish trade is picking up and local dealers have kept their fish larders running over with the best the market affords.

ELECTRIC LIGHTS WERE INVENTED TO SUPPLY

A NECESSITY. ALL OTHER METHODS OF CREAT-

ING ARTIFICIAL light were unsatisfactory. Candles

were dim and unreliable; gas, dirty and dangerous; kero-

sent, dull, smoky, odorous and also dangerous to health

and property. When electric lights were introduced there

was but one drawback. They cost considerably more than

other lights. This objection has been overcome and elec-

tric lights are now the most economical as well as the

most satisfactory light.

SUGAR ADDITION

I have a modern 7-room house all connected up with the sewer and two lots 100x113 ft. that I will sell for \$2000 with a small payment down and \$10.00 and interest per month. Also have 20 of the best lots left which I am offering for \$200.00 per lot with the small payment of \$10.00 down and \$10.00 per month. This is an opportunity to get a home on easy terms and no better land to grow a garden on. Good permanent water right goes with these lots. New houses are going up on many of these lots that I sold last year.

Call and see me at my office on Depot street or at my grocery store on Adams Ave.
