

We Have a Full Line of Auto-graphic Kodak in Stock

You will be surprised at the simplicity of the Auto-graphic attachment—the device which marks the biggest photographic advance in twenty years and which enables you to write it on the film at the time.

The advance in price over the regular Kodak models is slight. The price of film remains the same.

You can believe the testimony of your own town-people. They tell it for the benefit of you who are suffering. Follow this La Grande citizen's advice and give Doan's a chance to do the same for you.

Mrs. Ella Lyman, 1807 Madison Ave., La Grande, says: "I have used Doan's Kidney Pills several times for back and kidney trouble with the best results.
