

FRED GILBERT SHOOT DRAWS

SUMMERVILLE TO SEND IN A DELEGATION

Cup Is Promised La Grande, Though Supply is Exhausted

Tomorrow at 1 o'clock, all La Grande contestants who wish to participate in the Fred Gilbert anniversary shoot at Island City will find transportation awaiting them. These jitneys will leave the Bert Hughes' store, on depot street at that hour and the shoot begins at 1:30 o'clock. A crowd is coming up from Summerville too, so that there will be an inter-town color to the shoot.

Big Cup Awarded.

The winner of the big shoot will be presented with a fine trophy from the DuPont people who are arranging the anniversary. Claude Mackey has received word from the factory that a cup will be provided for La Grande through a special order, and also informed Mr. Mackey that the demand for these cups was so great the original supply was exhausted long ago. These shoots are held in practically every town where birds

rocks are shot at, either tomorrow or the week following.

A conservative estimate shows there are at least one-half million trap shooters in the country and it is safe to say that the history and records of Fred Gilbert, the greatest trapshot who ever entered the game are familiar to all. Twenty years ago, in October 1895, to be exact, Fred Gilbert, a product of the prairies around Spirit Lake, Iowa, and entirely unknown and unheard of outside his own precinct, made his debut to the shooting game at Baltimore, Md., and in the contest for the World's Championship, he vanquished a field of the best shots ever gathered together, and instantly ascended the ladder leading to the topmost niche in the hall of trap-shooting fame, from which, it is conceded by all, he has never been removed, as, in all the years that have past, his equal has not been produced, and very likely never will be.

To properly commemorate the Twentieth Anniversary of Mr. Gilbert as a shooter, a gigantic nationwide celebration has been arranged in his honor. On March 17th he will attend a complimentary shoot and dinner in Wilmington, Delaware, at which a large number of prominent trapshooters will be present from all sections of the country. To give the gun clubs throughout the country, where Mr. Gilbert is so popular, an opportunity of participating in the affair, a silver loving cup, suitably inscribed, has been offered as a prize to clubs that will hold a "Fred Gilbert" shoot on any date during the period from March 13 to March 20th, both days inclusive, and have at least ten shooters, and the local gunners have made application for and received one of these trophies and will hold a shoot for it, as 500 other clubs throughout the United States and Canada.

Mr. Gilbert has long been known as "The Wizard of Spirit Lake", and a wizard with the shotgun he has been. His records covering the twenty years he has been a shooter have never been equalled, and for six consecutive years he won the high average for the year, over thousands of other shooters, an unapproachable feat.

SPORT NEWS

W. C. Kelly was last evening elected captain of the 7:15 business men's volley ball team at the Y. M. C. A. Mr. Kelley will next week pick the six men who will represent the class the following week in a match game with the 5:15 business men's class. Both teams have good material from which to draw and no one is willing at this time to make a guess as to the winner. Anyone who has watched either class at play knows that a good time will be enjoyed by both players and spectators when the two picked teams meet. It is expected that the 5:15 class will select its captain next Tuesday.

"Admiral" Dewey, trackman, basketball fiend, baseball and football player at O. A. C., has been employed by The Dalles high school to take charge of athletics. That he will make a go of it, seems assured. He quit college to take the work.

BOWLING NOTES

The Junior board's challenge to the senior board of the Y. M. C. A. to take the youngsters on in a bowling match, has to date gone unheeded. The younger board is still confident that it may bring about a match.

Tuesday evening Cove bowlers, who stood the La Grande adults on their eyebrows in a handicap match a few days ago, will again take on the Clerks, at the Club Allies.

Meet at Pittsburgh

Pittsburgh, Mar. 13.—A two mile relay race between the teams of Cornell, Princeton and University of Pennsylvania will be the feature of the annual indoor athletic meet of the Pittsburgh Athletic Association at Duquesne Garden tonight.

Pittsburgh Auto Show

Pittsburgh, Mar. 13.—Under auspices of the Automobile Dealers of Pittsburgh the tenth annual automobile show in this city opened today at Motor Square Garden. It will continue for one week.

Despite its prestige in the manufacturing world there is no representative Pittsburgh car. In connection with the exhibit it is possible that leading Pittsburghers may get together in an effort to have Henry Ford make distinction between the cars which he will manufacture shortly in his big new plant here and those made elsewhere, so that Pittsburgh may have its name carried about by the rubber-tired speeders.

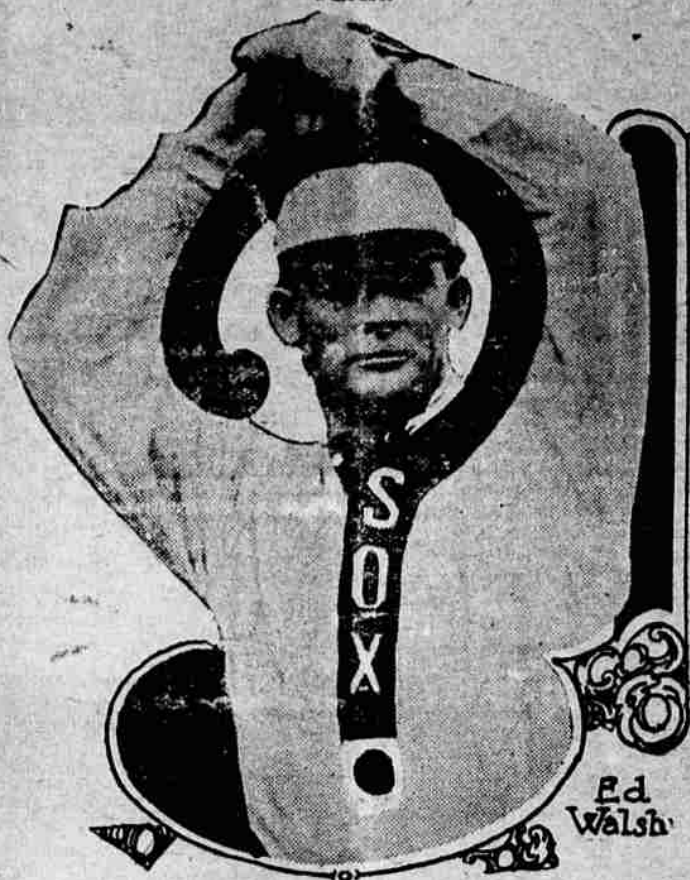

Call for Bids.

Notice is hereby given, that the County Court of Union County, Oregon, will receive bids for furnishing and delivering 100 cords of 3 foot, 9 inch, yellow pine or red fir wood, cut from green timber, free from limbs, such wood to be delivered and corded in the basement of the Court House at La Grande, Oregon, on or before October 1, 1915. All bids to be filed with the County Clerk on or before April 8, 1915, and to be accompanied by a certified check amounting to five per cent of the bid. The court reserves the right to reject any and all bids.

ED. WRIGHT,
County Clerk.

Dly.—Wed. Sat. 3-10, to 4-8.

THEY SAY THE BIG FELLOW WILL BE GREAT THIS YEAR.

Manager Rowland of the Chicago White Sox declares Ed Walsh, the great spit-baller, will stage a "come-back" this season. Will he? If he does, look out. They said that last year and he didn't, but the big fellow has been working hard all winter and really looks good, according to reports from Paso Robles, Cal., where the team is training.

Road Race April 3.

On the third of April the first real cross country held here in a good many years will be put on. The entries, and that includes all candidates for the team, will start from the high school, run to the mouth of Deal Canyon, back to C street, over to Third and to the high school, and repeat, making a three mile course. First, second and third will draw handsome prizes, and all finishers are to be recognized in some suitable way. For this event all are waiting at present.

Eastern Oregon Meet Here.

The Eastern Oregon scholastic comes to La Grande this Spring and will be held the first Saturday in May, according to present plans. A galaxy of athletes unparalleled will compete.

Archie Hahn, ex-Michigan University and Olympic sprinter, will act as starter and will probably be the referee as well. The doctory little sprinter from Michigan University, is a Wisconsin man by birth but drifted to the Wolverine state and there cleaned up the middlewest along about 1902 and 03.

There is a small nucleus of last year's team to work on, principally Glen Conkey the premier sprinter upon whom the collegiate eyes of the Northwest is focused this year. During the interscholastic at Wallowa last year, the writer was in the Willamette valley and his time was kept busy explaining the feature of

Conkey's running and all Oregon institutions of higher learning are anxious to get their letters on him. If he repeats this year his future will be all the brighter.

Captain Huff, Larson, Jimmie Rosenbaum, Earl Reynolds and Jacobson are some of the old-timers who were point winners last year, and these veterans will set the pace for the neophytes this spring. Others who are trying out for the team are: J. Andrews, V. Adcock, W. Bean, C. Bradley, C. Brooks, F. Clark, L. Chenault, F. Carroll Theo. Edvalson, Carl Evalson V. Forbes, Arnold Ferrin, H. Hortsman, H. Hopkins, C. Ingle, J. Kerr, Lynn Larson, R. Layman, F. Murry, G. McDonald, Eugene Moon, F. Monkhouse, H. Moon, H. Newton, H. Pierson, Earl Rosenbaum, Joe Reynolds, Fred Rees, L. Russell, P. Stafford, Chester Thompson, L. Wright, Mutt Westering, Ralph Westering, E. Williamson and F. Young.

"A good tire is like a man who is fit. If he's too fat he can't be bright. That's the way with a tire. If it has more than just enough rubber, it is like a man who is too fat. If it has not enough rubber it is weak-kneed. Diamond Tires have just the right amount of good tough rubber—neither too much nor too little to make them right."
—Mister Squeegie

The wonderful record made by Diamond Tires last year proves that they are right structurally.

It proves that the materials we put into Diamond Tires have the weight, strength and wearing qualities that combine to give the most economical mileage in actual service.

Recently we conducted a test by mail to find out what jobbers and tire dealers had to say about 1914 Diamond Tire records. The hundreds of letters received from them show that Diamond Tires have more than made good.

These letters from dealers in all parts of the country, show that Diamond Tires in 1914 established a service record which stands supreme. We have put these letters into a book. They furnish concrete evidence of the big mileage Diamond users get and the freedom from tire troubles they enjoy.

Write to Akron, Ohio, for this remarkable book of letters. It's a wallop!—and we want you to have a copy.

In addition to the extraordinary mileage and freedom from trouble that you get in Diamond Squeegie Tread Tires, you can buy them at the following
