WALLOWA FIRE BURNS STAGE

MORLOCK'S OPERA HOUSE BADLY DAMAGED.

Wallowa Expects Soon to Vote on City Hall Bond Issue.

Wallowa, Ore., Mar. 14. (Special)—A fire started in Morlock's Opera house, early Thursday morning and burned all the stage scenes and badly damaged the interior of the building. The fire seemed to have started under the stage on the east side, and burned the scenery, and then went up toward the ceiling. It had gained little head way when the water was turned on, as the rubberoid roofing kept the flames from breaking out through the top of the building. The loss is partly covered by insurance.

The horse sale held here March 8, 9, and 10, was very successful and 107 head were sold. They brought about \$12,000 and the price per horse ranged from \$40 to \$175. Eleven were here, representing the principal horse markets west of St. Louis. The weather was excellent for holding the sale and everything went off well. The next sale will be held during the latter part of May.

The first school play this Spring will be presented by the senior class, April 2. The title of the play is "Brookdale farm," a drama in four acts. The new scenery recently purchased will be used for the first time. A committee called on the council Friday night, to talk over plans for a city hall. The majority of the councilmen were in favor of this, and an ordinance to this effect will soon be drawn up, and as soon as the required ninety days has elapsed this will be put to a vote.
