

MOGULS WILL TALK LEAGUE

BAKER AND ELGIN EXTREME ENDS OF PROPOSED LINE UP

Delegates from Three Towns Coming Here Tomorrow Morning

Formation of a baseball league embracing Baker, Union, Elgin and La Grande has not completely dropped out of the realm of possibility, and according to some, is a near-fact. Tomorrow representatives of all these towns will meet in this city, and J. F. O'Connell will represent the La Grande side of the conference. Managers Phillips of Union, Morelock of Elgin, and two delegates from Baker-Jackson and Henley—will be those who are to come for the conference. At this meeting all that looks toward formation of a league similar to the one that stood eastern Oregon on edge three years ago will be gone over, and some of the promoters even hope that the meeting tomorrow will be a final organization meeting. The chief purpose, however, is to dis-matters pro and con. The conference will be called to order immediately after the arrival of No. 17.

PECULIARITIES OF WAR.

Paris—The war has not interfered to the slightest extent with the nourishment of babies at Paris. Professor Pinard has just reported to the Academy of Medicine that with the opening of hostilities and that with the taking of precautions for insuring the food supply. Paris, especially measures were taken to make certain that the food elements for babies should not be lacking either in quality or quantity. So successful have those measures been that the infant mortality during the seven months of the war has been less than it was in either of the two preceding years.

JOE TINKER, MANAGER OF THE WHALES, THINKS HE HAS A PENNANT WINNING TEAM THIS YEAR.

Joe Tinker.

The Whales, Chicago Feds, are now training down in Shreveport, La., and Joe Tinker thinks he has a pennant smashing crew this year. Tinker himself is not in very good shape and may not be able to play this year.

SCHEDULE OF RACES HEAVY

CROSS COUNTRY APRIL 3rd OPENS SEASON

County Meet at Union April 24 Present Outline of Events

Cross country work, and only lightly at that, constitutes the chief work that the La Grande high track team was undertaken to date. It is too early to get into orthodox garb while cold march winds blow. April first has been set down as the date when active training is to commence.

The schedule of track meets which Student body Manager "Mut" Westering and Coach "Shrimp" Reynolds have arranged for, calls for the cross country April 3, and a handicap meet the following Saturday. By the middle of the month the athletes will be getting down to hard work and will be able to undergo the rigors of a class meet. This is to be followed by the county meet at Union on the 24, should not present plans go awry. On the following Saturday comes the big Eastern Oregon scholastic at this city where all that is classic in this part of the state comes to the front. To entertain the interscholastic is no small job, and an early start on preparation for it will be taken.

With such a schedule the spring means heavy training.

SPORTING GOSSIP.

Lyle (Fat) Kiddle was entered in a handicap meet at Corvallis a few days ago and because of his utter lack of sprinting earmarks, he was given too big a lead and won third place in the 50. This is nothing for Fat to crow about, but for the handicappers to cuss about.

So prolific have youngsters become in the junior boys' class at the Y. M. C. A. that radical departure from the original schedule has become necessary. A and B sections have been found as a cure. Section A will meet at 4:15 Tuesday and Friday, and section B at 5:15 on Thursday and 9 a. m. on Saturday. However, next Tuesday all will meet as usual and pose for pictures. The classes have grown with marked rapidity and though Instructor Ruid can afford to part with more time, it was found necessary to split the class. When mumps cease their tirade, the grade class will be even larger still.

BLUEROCK CHIPPINGS.

It has been found necessary to move the traps at Island City, and there will be no shooting tomorrow. A suitable location has been partially agreed upon, and if selected, will place the traps about a mile and a half from town.

The cup which Claude Mackey won in the Fred Gilbert shoot last Sunday has arrived and has been on display in Bert Huges' window. It is a valuable laurel for the effort expended.

—Testimony of La Grande Citizens Statements That May Be Investigated

When a La Grande citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a La Grande resident. No stronger proof of merit can be had.

E. L. Bussey, prop. cab service.

1521 Madison Ave., La Grande, says: "I had attacks of kidney trouble, and they were always worse when I caught cold. I had dull pains in my back and my kidneys got badly out of order. I began using Doan's Kidney Pills, and from that time to this I have relied on them. Whenever my back has bothered me, Doan's Kidney Pills have fixed me up all right in a short time. I never used a better kidney medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bussey had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

Are You Going To Build?

Two great questions to the prospective home-builders are "How much is your home going to cost," and "what will be the cost for repairs in the future." There are two ways to build, the cheap and inexperienced way, and the good and substantial way which means good workmanship and good material.

See me before you build,
