Health Promotes Happiness.

Without health, genuine joy is im-  
possible; without good digestion and  
regular bowel movement you cannot  
have health. Why neglect keeping  
bowels open and risk being sick and  
ailing? You don't have to. Take  
one small Dr. King's New Life Pill  
at night, in the morning you will  
have a full, free bowel movement  
and feel much better. Helps your  
appetite and digestion. Try one to-  
night.

## A FEW FACTS FOR YOUR CONSIDERATION

First. That systematic saving pays. A deposit of  
\$5.00 a month for five years, with 4 per cent interest  
computed semi-annually, will yield you \$332.27. Ten  
dollars a month for the same length of time will yield  
\$664.60, while in ten years you would have \$1,474.76.  
Second. The safety of your money. The well known  
character and ability of our board of directors is a suf-  
ficient guarantee of honest and capable management.  
Third. That we take any amount from \$1.00 upwards.  
Fourth. That your money is payable on demand.  
Fifth. That we pay 4 per cent interest on Certificates  
of Deposit and Savings accounts, crediting the interest on  
the Savings accounts on the first day of January and  
July in each year.  
Sixth. That we extend to our patrons every courtesy  
and accommodation in our power consistent with good  
banking, and  
Seventh. That we are under Government inspection.  
We respectfully solicit your business.

T. J. SCROGGIN, Cashier.

less than \$8.50 each. All over Italy have been  
lifted to close school houses April  
1st, that they may be used for mil-  
itary purposes. Today the country  
is in a war, and the government  
is prohibited for the same reason.  
Italy is on tiptoe and expectant,  
waiting the war she is certain to en-  
ter.
