A Washer and Sterilizer

WITH EVERY NEW **UNITED STATES** CREAM SEPARATOR

The patented U. S. Mechanical Washer and Sterilizer saves hours of time.

The U. S. Mechanical Washer is a marvelous cleaner. It is a marvelous sterilizer. In a year this Washer actually saves days of time over other ways of washing skimming devices.

The U. S. has the only cream separator bowl that can be successfully washed, rinsed and sterilized mechanically, for the following reasons.

It has the only bowl through which the water can be driven with such tremendous force that its cleaning power is superior to hand washing, and lots quicker and easier.

The U. S. Separator has the only skimmer built of solid Nickel Silver sections. They always remain smooth and non-adhesive.

You could not wash a silver platter any cleaner in the dish pan than you can the Nickel Silver skimming sections in the patented Mechanical Washer.

Mr. Elmer Nixon, Victory, Wis., says, "The new washing device is a dandy. Mrs. Nixon declares that washing the separator is now a pleasure and that with the new Washer the U. S. can be washed in one-third the time required to wash any other separator."

Why not buy the most improved separator—the U. S.? You will use it twice a day for the next ten years.

Old separators taken in trade. A demonstration of the new U. S. gladly given at your home, without obligation.

SYRACUSE RUINS ARE VIEWED

George W. Pinneman, a prominent Boston Knight of Pythias, and a lecturer and traveler, yesterday evening took a fair-sized audience to the Islands of Sicily, making stops at intermediate points of interest. It was done in connection with a travelogue stereopticon attraction, and a more interesting set of pictures has not been in La Grande in a good many years. The speaker went to the fountain head of Pythianism, and showed pictures he had himself taken at Syracuse in 1913 where Damon and Pythias lived some 2300 years ago, and put on the screen causing

interest and instruction. Mr. Pinneman undoubtedly has an evening's entertainment of much merit.

Health Promotes Happiness.

Without health, genuine joy is impossible; without good digestion and regular bowel movement you cannot have health. Why neglect keeping bowels open and risk being sick and ailing? You don't have to. Take one small Dr. King's New Life Pill at night, in the morning you will have a full, free bowel movement and feel much better. Helps your appetite and digestion. Try one tonight.
