THE PEOPLE'S STORE

NEWS FROM COUNTY PAPERS

(Union Scout)
Bert Titus of Raymo and Miss Elizabeth Mc Elroy of Union were married at La Grande Wednesday. These are among the best young people of the county and start in life under favorable circumstances. They will live on the farm near Union.

Miss Mamie Duke formerly of this city and Harold Van Carrow were married at Riverside California, March 16th. The young people will make their home in this city.

H. C. Neeley for a number of years a resident of Union is back again shaking hands with the boys. Mr. Neeley is now in business at Vale and likes the place. He reports the family all right and prosperous in the frontier city.

A fine new desk exhibited this week at the Wright Drug store came from the manual training department of the Union High School, and is the handiwork of Albert Haller. The work speaks for itself. This department is in charge of Carl Johnson, one of the best mechanics of the northwest.

The Farmers Union Warehouse building and lots occupied by the same was sold in La Grande Saturday last under foreclosure proceedings to S. A. Pursel, of Union, for \$2,000 and costs of suit. Mr. Pursel is undecided just what he will do with the property, now occupied by J. W. Baxter.

Word received from E. E. Smith at Portland late last week announces the fact that the outlook is much brighter for Mrs. Smith, who was supposed to have a cancer. A physician who took charge of her case in Portland, gave it as his opinion that Mrs. Smith is not suffering from cancer, and that she will be restored to health. Mr. Smith wrote at that time that they would soon return to Union and will not go to California.

General Passenger Agent McMur-

ray, of the O. W. R. & N. railroad, has notified the management of the Union Live Stock Show that reduced rates will be made during the stock show—an open rate of one and a third fare to apply from all stations in Oregon, also from Dayton and Walla Walla, Washington, and intermediate stations. Sales will be from May 31st to June 4th inclusive, final return limit June 7th. These are practically the same arrangements as were in effect last year.

News was received Sunday of the death of John L. Jacobs, at Los Angeles, California, of blood poisoning. The body was shipped to Rexburg, Idaho, arriving there Tuesday, the funeral taking place Thursday of last week. News of the dangerous illness of Mr. Jacobs reached Union late last week.

He was accompanied on his California trip by his wife, daughter Helena and one son. Another son, Johnnie Jacobs, of Union, and wife, were visiting in California, and at the time they left for home, where they arrived Saturday night last, Mr. Jacobs appeared to be improving.

Mr. and Mrs. Johnnie Jacobs and Elmer Jacobs left for Rexburg Sunday night last to attend the funeral. John L. Jacobs has been identified with the lumbering industry at Union for a number of years, and at the time of his death still held interests in the same industry here.

He had large interests also in Idaho, and was a large stockholder in mercantile lines at Union. He was about 53 years of age, a good citizen and his death will be a shock to a large circle of business and social acquaintances.

Out of respect for John L. Jacobs, the business houses of the city were closed during the time of the funeral at Rexburg Thursday afternoon.
