When is a Kitchen Not a "Kitchen"?

With a Hughes Electric Range, it is a parlor. Just as cool and clean and airy.

The modern "kitchen" deserves a better name. In truth, it is a cooking apartment—as bright and tidy as any other room. For since the perfection of electric cooking, all the clumsy ugliness and every trace of dirt and soot and gas have gone.

The modern cook works with her head and not her hands. She has hours of time that were never hers before. Simple figures show that in a life time five solid years of drudgery are saved by this practical invention.

And that isn't all. Consider the sacrifice of happiness, health and youthful charm. Old-fashioned methods have truly exacted a heavy toll.

Hughes Electric Ranges

Beauty fades fast over a hot, dirty coal stove. Gas positively poisons! In combustion, gas takes up oxygen and gives out poisonous fumes. That is why plants will not live where gas is burned.

Mr. Master-of-the-House, this is not a luxury but a choice—not a choice but a necessity! Think it over. Then come in and see this Range. You will hear some facts that will astonish you.

Eastern Oregon Light & Power Co.

In La Grande coal sells for \$8.00 to \$10.00 a ton and wood in proportion. When we say the Hughes Electric Range actually competes with coal and wood here we know exactly what we are talking about. Ask those who are using the Hughes ranges in La Grande.

Good-bye sore feet, burning feet, swollen feet, sweaty feet, smelling feet, tired feet.

Good-bye corns, callouses, bunions and raw spots. No more shoe tightness, no more limping with pain or drawing up your face in agony. "TIZ" is magical, acts right off. "TIZ" draws out all the poisonous exudations which puff up the feet. Use "TIZ" and forget your foot misery. Ah! how comfortable your feet feel. Get a 25 cent box of "TIZ" now at any druggist or department store. Don't suffer. Have good feet, glad feet, feet that never swell, never hurt, never get tired. A year's foot comfort guaranteed or money refunded.

Notice This Ad. If your stove smokes and does not draw, don't blame the coal and wood man, but call for M. Sweet, chimney cleaner and stove and furnace repairer. Phone black 1241, or call at 1421 Adams Ave. 3-3-24t.
