THERE IS A REASON WHY

On the 6th of April we will have completed another year of
successful grocery business in La Grande.

We find that our business during the past year has been the
largest in our history.

We also find that during the past year we have returned to
our customers \$2490.00 in actual cash by giving a 5 per cent
cash discount on all purchases.

5 per cent of what you spend for groceries every year
amounts to several dollars. It is just that much hard
earned money in your own pocket.
