HOG CHIEF MEAT TRADE

MUTTON GENERALLY SCARCE
 IN PORTLAND

Cows and Steers Come Forward in Fairly Good Number

Union Stockyards, Portland Ore., March 29.—The Hog market showed great strength in the local yards today even though there was a very big run of livestock. A total of 90 cars all told arrived in the yards over Sunday.

Top hog advances to \$7.55 during the early trading. This is a rise of 15c above the extreme mark of last week's closing and indicates that after all outside buyers were merely bluffing last week when they refused to pay the prices in effect here at that time.

Stocks of mutton available on the North Portland market continue small. Some shorn stuff came forward, and these met with an excellent demand.

All the former strength noticeable in the mutton and lamb trade last week was retained today.

Today's run of cattle on the local market reminded the trade of previous days. Total receipts over Sunday in the cattle division were 1632 head compared with 1230 head last Monday and 785 head this same day a year ago.
