THERE IS A REASON WHY

On the 6th of April we will have completed another year of successful grocery business in La Grande. We find that our business during the past year has been the largest in our history.

We also find that during the past year we have returned to our customers \$2490.00 in actual cash by giving a 5 per cent cash discount on all purchases.

5 per cent of what you spend for groceries every year amounts to several dollars. It is just that much hard earned money in your own pocket.
