**Avers Plants Act Humanly**  
Los Angeles, April 2.—Plants eat, drink and sleep. Drugs have the same effect on them as upon humans, according to Prof. Jagadish Chunder Bose, East Indian scientist who has left Los Angeles for the north enjoining this piece of information. "A plant is a stationary animal and an animal is a moving plant," he said.

There is a nation wide campaign to clean up and paint up.  
Everyone one must help to make this a success. We need lots of work along this line in our own city and Spring is the best time to do it.  
Employ resident painters and use good material. You can't get anything better than Sherwin-Williams paint, enamel or varnish.

## Palmer Lands

Why go to Canada, or to Central Oregon, or anywhere else, when you can buy better land for less money and stay in Union County. Compare the following facts about Palmer Logged-off Lands with any other new lands. Let us explain more about these lands.

**PRICE**—Only \$15.00 per acre.  
**TERMS**—One-tenth down and one-tenth each year, interest 6 per cent.  
**LOCATION**—In Union County, 10 miles from Elgin, 30 miles from La Grande, 1 to 4 miles from Palmer Junction where there is a general merchandise store, postoffice, railway station on the O. W. R. & N. with daily mail, passenger and freight service.

**ALTITUDE**—2600 feet. (Lower than La Grande.)  
**CLIMATE**—Mild, no wind, 30 inches rainfall, no late frosts.  
**SOIL**—A mixture of volcanic and pine ash varying from 2 to 5 feet deep, with a clay sub soil that holds the moisture and keeps the soil damp all summer.

**CLEARING**—Palmer lands were cut over several years ago; and the white pine stumps, having no tap root and being filled with pitch are easily burned or pulled.

**WATER**—These lands are well watered from springs and living creeks, while good well water is found within a few feet of the surface. This is a dry farming country with plenty of rainfall.

**CROPS AND STOCK**—A natural hay, grain, stock and dairy country. Cattle, sheep, hogs, horses and poultry have been raised with fine success. Vegetables, potatoes, berries and fruit are also grown with excellent results.

**WOOD**—There is plenty of timber for building houses and barns on nearly every place and to furnish wood for many years. Some places have enough wood to pay for the land.

**SCHOOLS**—There is a good school in the center of these lands which is to be increased to a nine months school.

**SETTLERS**—About 2500 acres of these lands have already been sold and at least 20 families are now or will be living on their places this spring.

## Beef Roll

A New Way of Using Left Overs  
By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine

Every housewife finds the disposition of left overs a most perplexing problem. K C Beef Roll will go a long way toward helping you out when the family get tired of hash and stews. You really ought to try it for supper tonight or tomorrow night at the latest.

### Beef Roll, K C Style

Three cups flour; 1 teaspoonful salt; 3 level teaspoons K C Baking Powder; 1/2 cup shortening; sweet milk; 1 cup each, chopped cooked beef and ham; 1 teaspoonful mixed mustard; 2 beaten eggs; grating of onion; 1/4 teaspoonful each, salt and pepper, broth or water.

Make a biscuit dough of the flour, salt, K C baking powder, shortening and milk, and roll into a sheet half an inch thick, having the ends even. Mix the other ingredients by themselves, using liquid as needed to make a paste. Spread the paste over the dough and roll like a jelly roll. Bake in a buttered pan about forty minutes. Brush over the outside with a little beaten egg left for the purpose and return to the oven to brown. Serve hot with a rich brown sauce. Other meats, such as chicken or veal, alone, or in combination, may be used. The onion and mustard may be omitted.

Ninety recipes—just think of it—by the famous cooking authority, Mrs. Janet McKenzie Hill, sent free upon receipt of the colored certificate packed in 25-cent cans of K C Baking Powder. Send for the handsome Cook's Book today to the JACQUES MRS. CO., Chicago.

### A FEW FACTS FOR YOUR CONSIDERATION

First. That systematic saving pays. A deposit of \$5.00 a month for five years, with 4 per cent interest computed semi-annually, will yield you \$332.27. Ten dollars a month for the same length of time will yield \$664.60, while in ten years you would have \$1,474.76.  
Second. The safety of your money. The well known character and ability of our board of directors is a sufficient guarantee of honest and capable management.  
Third. That we take any amount from \$1.00 upwards.  
Fourth. That your money is payable on demand.  
Fifth. That we pay 4 per cent interest on Certificates of Deposit and Savings accounts, crediting the interest on the Savings accounts on the first day of January and July in each year.  
Sixth. That we extend to our patrons every courtesy and accommodation in our power consistent with good banking, and  
Seventh. That we are under Government inspection. We respectfully solicit your business.
