THE PEOPLE'S STORE

ELABORATE MUSIC FEATURE OF EASTER SERVICES

Following upon the meritorious program yesterday, La Grande will conclude its Easter and pre-Easter observance in a most detailed manner tomorrow. Easter anthems will be sung, cantatas delivered, Easter bonnets worn, and throughout it all—plenty of music in the churches. Ministers have chosen fitting themes for the occasion.

Various services of more than passing moment are scheduled. The Knights Templar service, annual Easter services they are, prescribed by ritual, will be the big feature. These will be held at the Presbyterian church and Rev. W. S. Seemann, D. D., now of Portland but at one time pastor of the Presbyterian church here, will deliver the address of the day. The public is welcome to be present.

At the Presbyterian church Sunday evening, a cantata will be given that centers about Easter music, the L. D. S. have special Easter services, the Christian likewise, the Methodists, the Catholics and the Episcopalians are all to give special attention to the day in a music way. The M. E. church South will confine its Easter services to an Easter candy egg hunt by the Sunday school, and the Baptists expect to reserve their strength for Children's day a little later on.

The city's best musical talent will be employed tomorrow. Seldom, if ever, has so much stress been laid on Easter as this year, and practically every choir in the city has given itself over to special music of appropriate grade.

Following are the church announcements and the musical numbers in each church, to be heard in La Grande churches tomorrow:

Are You Going To Build?
Two great questions to the prospective home-builders are "How much is your home going to cost," and "what will be the cost for repairs in the future." There are two ways to build, the cheap and inexperienced way, and the good and substantial way which means good workmanship and good material. See me before you build, **H. E. Now Electricity Roasts! Bakes! Broils!
Do you think of electric stoves as toys? Here is a stove that performs every operation of cooking, even including the fireless cooker operation, and does them all better than coal, wood, or gas stoves.
Hughes Electric Ranges
Used in the kitchens of royalty, yet modest homes everywhere find they can afford the Hughes. By all means come see it.
Eastern Oregon Light & Power Co.
There is nothing too good for La Grande ladies. That was our decision when we saw what the Hughes range would do. And it has proven its wonderful efficiency in La Grande homes.
