## HUMBUGS GET SEVERE BLOW

**GOVERNMENT ATTACKS ANTI-FAT MEDICINES.**

**Obesity Not to be Trifled With—Calls for Skilled Attention.**

Washington, April 7.—The department of agriculture, in a bulletin just issued on its recent investigations of anti-fat humbugs, state that a common ingredient of the obesity cures is thyroid, a drug made from the thyroid gland which is still puzzling the medical world after years of study. Thyroid, in the opinion of the government scientists, is far too dangerous for inexperienced persons to experiment with. "When used as a drug it has a great

powerful effect on the whole human system and this information should be sufficient to warn any one against dosing himself blindly with it," says the department's bulletin.

For medical use a number of sheep's thyroids are dried at a temperature of from 90 to 100 degrees and then powdered. The powder may be administered either dry, or when treated with glycerine, as a liquid.

"It indubitably does reduce tissue," says the department, "and therefore those preparations which contain it are especial favorites with those persons who desire to rid themselves of what they consider is superfluous flesh.

Unfortunately it is not possible to remove tissue at will without running great risk of ruining health at the same time. Abnormal deposits of fat are frequently accompanied by disorders of the heart, blood vessels and kidneys. To remove those deposits abruptly may well produce mechanical effects upon the operation of the internal organs.

"For this reason the medical profession has long recognized that obesity should be considered as a condition worthy of the most skillful treat-

ment and that a cure is never easily and quickly attained. Thyroid preparations, moreover, are particularly objectionable because of the direct effect of the substances composing them. These substances, administered in drug form, may produce symptoms which are commonly associated with certain forms of goiter, namely, rapid and irregular pulse, palpitation of the heart, difficulty in breathing, paralysis and even death.

In man the thyroid gland is situated in the throat, in front of and on both sides of the larynx, and consists of two lateral lobes united by a narrow bridge-like central portion.

#### AID THE KIDNEYS.

**La Grande Suffers Should Take No Further Risk.**

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor,—why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one, of the symptoms of kidney diseases, act now, for gravel, dropsy or Bright's disease may set in and make neglect dangerous. Can La Grande residents demand more convincing proof than the following?

Frank Allen, Union, Ore., says: "Hard work strained my back and weakened my kidneys. The trouble got a little worse each year. There were constant grinding pains in the small of my back, and my kidneys were badly out of order. When the trouble was at its worst, I tried Doan's Kidney Pills. They helped me right away, and I continued taking them until every symptom of kidney trouble was gone. For nearly three years there has been no sign of the trouble, so I feel I can safely say my cure is permanent."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Allen had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

### Muffins

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine.

When muffins are on the breakfast table, nobody cares for meat or eggs and they would be served more often if this meal were not prepared so hurriedly that there is no time to make them. If K C, the double-raise baking powder is used, the batter may be stirred up the night before, put in the pan ready for baking and nothing to do in the morning but bake them.

#### One-Egg Muffins

2 cups flour; 2 slightly rounded teaspoonfuls K C Baking Powder; 1 teaspoonful salt; 1/2 cup sugar; 1/2 cup melted butter or lard; 1 egg; 1 cup water or milk. Sift dry ingredients together three times. Add to this the unbeaten egg, melted shortening and water or milk. Then beat all together until perfectly smooth. Oil muffin or gem pans and have oven slow until the muffins come to the top of the pan, then increase the heat to bake and brown the muffins. This recipe makes 12 large muffins. Raisins or currants may be added if desired.

#### Graham Muffins

1 cup graham flour; 1 cup pastry flour; 2 level teaspoonfuls K C Baking Powder; 1 to 2 level teaspoonfuls sugar; 1/2 teaspoonful salt; 1 egg; 1 1/2 cups milk or water; 2 to 3 tablespoonfuls melted butter; mix and bake as One-Egg Muffins.

Graham batter should always be quite soft to insure light and moist muffins.

To get 88 other recipes as good as these, send us the certificate packed in every 25-cent can of K C Baking Powder, and we will send you "The Cook's Book" by Mrs. Janet McKenzie Hill. Handsomely illustrated. Jacques Mig. Co., Chicago.

Sloan's Liniment gently applied to the sore joints or muscles penetrates in a few minutes to the inflamed spot that causes the pain. It soothes the hot, tender, swollen, feeling and in a very short time brings a relief that is almost unbelievable until you experience it. Get a bottle of Sloan's Liniment for 25 cents of any druggist and have it in the house—against Colds, Sore and Swollen Joints, Lumbago, Sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.
