

### ---Pitures Is Pitures---

BUT some pictures are better than others; and there is an art in the right kind of enlarging. We have everything necessary for the making of good enlargements, and men who can do the work and do it right. IF YOU have a good negative, let us enlarge it for you, and make a picture that you will be proud of—one that will be an ornament, worth while, in your home.

WE have a window full of our work; if you are interested in Kodak work, do not fail to see the display.
