AND THE PRICE IS 10 CENTS

this clever bunch to Elgin for one night only, Thursday, April 15. They have chartered a special train and all those wishing to go can do so for a dollar for the round trip. Limited space prevented giving each member of the cast special mention, but La Grande people are proud of their amateurs and the Elks are to be congratulated on having so much talent in their local lodge. Each and every member wishes to take this opportunity of thanking the members of the cast, Mr. Sherwood and his orchestra, the band boys, who so kindly left their work and went out on parade in the afternoon, also every one who in any way helped to make the show a success. Mr. and Mrs. DeVere have always been very successful in staging their performances, and "In the Bishop's Carriage" was no exception to the rule.
