BIG SALE IS ON

J. C. Henry Store Crowded With Furniture Buyers.

Today the big stock reducing sale at the J. C. Henry furniture store opened with a rush and all day long the store has been crowded with buyers who eagerly took advantage of the bargains offered in the high-class furniture. The large stock of first-class goods was thrown on the market at greatly reduced prices the evidence of which was plain for old price marks were left on the goods and the reduction prices attached under them.

"I am very well satisfied with this first day of the sale," said Mr. Henry. "It is apparent that the people appreciate a real price reduction and I believe that in a very short time I will have my stock reduced." —Adv. 4-22-15

An Everyday Cake

Here is a simple and inexpensive cake that can be varied in many ways with different frostings and icings. It looks a little nicer baked in a tube pan, but will be equally as good baked in a square loaf.

K C Gold Cake

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine.

1/2 cup butter; 1 cup sugar; yolks of 4 eggs, beaten light; 1 cup flour, less 2 level tablespoons; 2 level teaspoonsful K C Baking Powder; 1/2 cup milk; grated rind of 1 orange.

Sift flour and baking powder together three times; cream butter and sugar, beat yolks of eggs, add these to creamed mixture, and lastly add the moisture and flour alternately, beating batter until smooth. Gold Cake can only be made successfully by beating yolks of eggs, very, very creamy and light lemon colored, using a rotary beater. The rotary beater is the only beater that will do justice to the yolks of eggs. The beating kills all egg taste and improves the texture of the cake.

Cocoanut Frosting
Beat the whites of 2 eggs dry; gradually beat in half a cup of sifted confectioner's sugar and continue the beating until the frosting is smooth, thick and glossy; then beat in grated cocoanut, fresh or prepared, and spread upon the cake. The frosting is made thick by beating rather than by sugar.

Save this recipe. You will want to use it frequently. Or better, send us the colored certificate packed in each 25-cent can of K C Baking Powder and we will mail you "The Cook's Book" containing this and 87 other baking recipes equally good—all by Mrs. Hill. Jaques Mig. Co., Chicago.
