COUNTY MEET ON MAY FIRST

UNION SCHOOL INVITES LOCAL ATHLETES

Sunday's Ball Game Will Begin Promptly at 3 O'clock

May 1st, which is a week from tomorrow, has been designated as the date of the Union county track meet, and Union high school will be the host. Invitations reached Charles Reynolds athletic director, yesterday evening and he has arranged a tryout tomorrow afternoon to prepare his team for the Union meet. This will likely be the first time that the athletes here will be asked to, or required to extend themselves seriously.

The Eastern Oregon scholastic will follow the county meet by one day. Union was undecided about the meet because of the lack of available material at Union to create a team from, but have gone ahead despite the lack of material or any promising likelihood of winning the meet. It is not known how many teams will compete in the contest.

The diamond at the fairgrounds is being fussed up for the big game next Sunday afternoon, commencing at 3 o'clock sharp. Baker is coming with blood in his eye, and that a battle royal will be staged is the prediction.

Pendleton, April 22.—Yesterday at the Round-up grounds the junior class of the high school ran away with the interclass track meet, winning with seventy points, while the seniors and sopomores tied and the freshmen brought up the rear with fifteen.

Some new men showed up well yesterday, especially Colesworthy and Huey who won the high jump and high hurdles beating out Myers who was scheduled to win these two events. Curl, the half miler, who has been seriously ill, did not enter his favorite race but ran in the quarter instead.

Penn Relay Carnival Attracts Stars Philadelphia, Apr. 23.—Every intercollegiate champion athlete in every U. S. College is entered in the race and athletic carnival, which opened today. More than a thousand stars of college track and cinder paths, including 325 relay teams are entered. Philadelphia was turned over today to husky red faced youths wearing sweaters, waving college pennants and shouting college yells.

The meet will close tomorrow night Merdith, Pennsylvania, the winner of the quarter-mile championship; Speiden, Cornell, mile champion, and Hoffmire, Cornell, the winner of the

two miles, will be in their respective relay races. Braun, Dartmouth, the high hurdles champion, will run in that event, while Ferguson, Pennsylvania, the low hurdle champion, will be seen either in the low hurdles or in one of Pennsylvania's relay races.

Beaty, Columbia, the winner of the shotput; Oler, Yale, the winner of the high jump, and Mordell Dartmouth, in the broad-jump, the other champion now in college, will be in those events at the relay races.

The real feature of the presence of these men will be in their meeting the best athletes of the Middle West and of the Pacific Coast slope. Baranick, Chicago, the Western Conference intercollegiate champion, will be in the 100-yard dash, as well as Drew of the University of Southern California. The latter is the holder of the world's record at 9 3-5 seconds. He has a wonderful record of having beaten 10 seconds for the 100 yard on eighteen different occasions.

The Eastern hurdle men will find themselves opposed by Kelly of Southern California, the Olympic champion and the world's record holder. Ward of Chicago who was second to Kelly last year at the relay races, and Cronley of Virginia, with a 15 2-5 seconds record, are other men who will oppose Braum of Dartmouth.

The field events will also find the present champions opposed by some of the very best men in America. Oler of Yale, the present champion of the high jump, will meet Richards of Cornell, the Olympia champion. There will also be four or five other men in the high jump who will have done over 6 feet 1 inch.

Today's program will consist mostly of events for local schools and colleges. The only big event taken from Saturday's program will be the hammer throw, which will be held on Friday. Three other special events will be given today, the 56 pound weight for distance, the 440-yard hurdle and the hon. step and jump.

The program for tomorrow will be practically the same as usual. The regular high and preparatory school class races and the college class races will be given and the championships for school and colleges will be the same as in previous years.
