WALLOWA NEWS ITEMS

Wallowa... April. 24. (Special)—The city council has changed the night from Friday to Wednesday night, to make it more convenient for the members. The fire alarm was tried again Friday night and seems to be satisfactory. At the next meeting the council will decide whether to keep it or not.

A transfer in real estate was made last week whereby Lee Smith traded his ten acre tract on Diamond Prairie for the sixty acre farm of G. N. Ames in the Promise country. Both places are well improved and most of the Ames place is under cultivation.

The Wallowa stores are going to change their delivery system and instead of several stores each running a delivery, after May 1st, one driver will deliver for all the stores. The old system has been found to be too expensive, and it is thought that a competent driver can give the same service.

Owing to the Eastern Oregon track meet having been postponed until May 8th, the county meet will likely be held here May 1st, instead of a week later. The county declamatory contest, in which all the high schools of the county will be represented, will be held in the evening of the same day.
