RAID HOTELS IN PENDLETON

SEVERAL MEN AND WOMEN CAUGHT BY POLICE

Charges Performed Against Hotels and
Trial is Started

Pendleton, April 26.—Charged with conducting a bawdy house W. R. Graham, proprietor of the Golden Rule Hotel, is on trial this afternoon in police court. The case grows out of a raid conducted by Mayor Dyer and the police department at an early hour yesterday morning and in which sixteen men and women were arrested. The case began about 2:15 this afternoon with Col. J. H. Raley and W. M. Peterson conducting the defense and City Attorney Charles H. Carter prosecuting. So much curiosity has been manifested that a great crowd was in the court room before the trial began and Judge Fitz Gerald was forced to clear the room of all except witnesses.

It is charged that Graham has been keeping women at his hotel for immoral purposes and the fact that six alleged immoral women were arrested there will figure largely in the case. Also the city has subpoenaed a number of witnesses to testify to the general reputation of the place under the management of Mr. Graham. It is reported that the state will also investigate and may bring a case against him.

The raid of the Golden Rule Hotel and the State hotel was conducted between 2 o'clock and 5 o'clock yesterday morning. In the party were Mayor Dyer, Chief of Police Kearney, Officers Manning, Scheer and Stephens and Firemen Mannis and Ringold. The Golden Rule was entered first and Jack Jewett, the night clerk was arrested before any warning could be given had he been so minded. A round of the rooms was made and in several men were found with women. Evidences of drinking were plentiful, the officers say, but no supply of liquor could be located.

Those placed under arrest besides Graham and Jewett were Nona Wilson alias Pearl Mauggans, Ruth Woolver, Teddy Stewart alias Wood, Ruby Le Roy, Ethel Same, Eva Snyder, Ben Corbett, William Myrick, Gus Schubert, Sam Artego, Charley Mauggans and Orville Banks.

At the State hotel only one couple was arrested. S. P. Grinnett and Violet Brooks were found in a room together and though both protested they were man and wife, they pleaded guilty this morning to immoral acts and practices and sentence of \$75 or 37 days in jail was imposed upon. So far they are still in jail.

New Political Head in Chicago
Chicago, Apr. 26.—Elected mayor of Chicago by the greatest plurality ever given a mayor candidate in the Windy city, William Hale Thompson tonight will be formally inaugurated head of America's second largest city. Retiring Mayor Carter H. Harrison, was to welcome his successor and conduct the simple but impressive ceremonies.

Thompson enters into his duties with several radical and unique policies in regard to alleviation of the unemployment problem, conduct of the city's affairs and police warfare on crime and criminals.

Perhaps the most unique policy the new mayor has declared for it is his planned fight against unemployment. It is his expressed plan to have the council vote a sum sufficient to give every patrolman on the street a dollar bill. This dollar is to be given at the policeman's discretion, to men or women out of work whom the policeman knows to be deserving. Thompson's theory is that the policeman is closer to the average citizen than all the charity organization agents in the world and is thereby the one to do the work. When this dollar is expended, it will be replaced.

As to the business side of conducting the affairs of the fourth city in the world, Thompson has declared he will endeavor, wherever possible, to surround himself with successful business men, large or small, who will be willing to emulate his example and give up four years of their lives to the work of the city.

Mayor Thompson has strong opinion regarding Chicago's crime situation. He has not yet gone into detail as to what his remedies for the wholesale robberies, street holdups, etc., will be, but he has said that crime and immorality can and must be checked by an honest and efficient police force. He intimated that he would try to get as chief of police a man regardless of political affiliation who can be absolutely fearless in upholding the laws.

A PROPERLY BUILT FENCE should last for years. The first consideration is of course the right kind of pickets, base boards and other materials. Right at this lumber yard is the place to buy them. Then you'll get the kind that will last for years.
