2 Drops of "GETS-IT,"
Out Comes the Corn!

It's the World's Wonder; Never Fails.

You'll make 100-200 eyes at your feet, after you use "GETS-IT," and you'll find the places where those pesky corns used to be, just as smooth as your cheek.

"How Wide is a 'GETS-IT' Smile? Well, a Good Deal Over 3 Feet!"

There's no corn or callus among the millions of feet in the world that "GETS-IT" will not remove—there's no escape. "GETS-IT" is the new way, the simple, common-sense, sure way. It does away with greasy ointments, salves, pads, cotton rings, harnesses, knives, scissors, razors, files, and the limping and the painful pigeon-toe walk of so many corn-plagued people. All you do is put 3 drops of "GETS-IT" on the corn shivers up and good bye. Nothing else in the world like "GETS-IT." Millions are using it. There's no pain, no trouble, no changing shoes because of corns.

"GETS-IT" is sold by druggists everywhere. No a bottle, or sent direct by E. Lawrence & Co., Chicago.

FILM IS STUDY

First Run of "Three Weeks" Witness-
ed With Keen Interest.

Those who enjoy perfected photography centering around animated love, intrigue and tragedy, will find their heart's delight at the Arcade theatre where the last run of "Three Weeks" will be seen tonight.

The picture is true to the story in every detail, and the plot conceived by the author is not varied from in the least. The beauty of the queen, the splendor of her royal robes, and ease with which the plot is followed, all make the story interesting, not saying anything about the forcible acting done, which is of the best throughout. The film company found a strikingly pretty and queenly woman to carry the role of the "Queen" and Paul's part is taken well, indeed. The crux of the plot is the burning desire of the beautiful queen, married to a drunken reprobate, to perpetuate her blood upon the throne and though her efforts are fulfilled, her own life is given in the attempt and she dies a queen without honor, and the real king of her kingdom lives on, a king without a country to rule, albeit his legitimate child rules in his stead with his veins filled of royal blood.

The story of "Three Weeks" never was the salacious story reported of it, and the same theme has been handled hundreds of times by others with half the sensational comment, but in this instance the problem is set out in the light of duty to country. It is a truly fine story lacking none of necessary details yet it is far from sensational; because the book "Three Weeks" was the sensation of its day doesn't make the film sensational. It is a study of human nature in a new light, and only the carnally minded make aught else of it.—Adv.

Next Wednesday, April 28th is Red Letter Day. 10 Green Trading Stamps free to everyone visiting our Premium Parlor. Golden Rule.

Visit Eastern Oregon Exhibit
