Young Lady Speeders Arrested
Pendleton May 4.—Two well known young lady drivers of autos, Miss Lavelle Rugg and Miss Hazel Matlock, are the latest to be arrested for speeding by the motorcycle policeman. Both pleaded guilty and sentence was suspended upon them pending good behavior. A complaint has also been sworn out against Harold Maloney, son of Judge and Mrs. J. W. Maloney; on the same charge.

Zola Leneve Wants Divorce.
(Pendle, E. O.)
Charging her husband, John Leneve with extreme cruelty, Zola Leneve today filed suit for a divorce and for custody of their little boy. The couple were married in Burns, Ore. on Nov. 30, 1909, and plaintiff charges that soon after her husband began to abuse, curse and strike her. In Tekoa, Wash. so abusive did his conduct become, she alleges, that the chief of police gave him 24 hours in which to leave town. Since then she has supported herself, she alleges. W. M. Peterson is her attorney.

One Day is Summer; Next Day Winter in The Hills
(Pendleton, E. O.)
J. F. Johnson, pioneer resident of the mountains southeast of Weston has sent the East Oregonian the following record of the storm at his place:

April 28th. Beautiful, warm and were a blinding mass of bloom. Next morning, the 29th, snowing fast all day, with freezing in the night. On the 30th snow, 12 inches deep, and still snowing. Both shade and fruit trees breaking and falling; the earth with the heavy weight of snow. May 1st, still snowing.

Fruit crop undoubtedly all destroyed, large icicles decorating everything. Public roads obstructed by binding and fallen trees. Nothing like this belated winter weather ever experienced here before this late in the season during the past 34 years residence here. If this weather is right, then all of the calendars are wrong.

Mighty like drawing aces

to jam a jimmy pipe brimful or roll up a makin's cigarette with Prince Albert, then make fire with a match! Such smokings! Yes, sir, the kind you can draw to all day and all night and have a lot of fun all the time!

Prince Albert came into the game five years ago a little stranger in a big land, but it was cut for a square deal, and today it is the one best bet of men everywhere who play fair with their tongues and want fair play—with all the cards on the mahogany! Catch the thought?

PRINCE ALBERT
the national joy smoke

is built like a thoroughbred. It won't kick, it won't bite, it won't parch! That's because it is made by the now world-famous patented process that cuts out the kick and the bite and the parch! No other tobacco ever was or can be today anywhere near like Prince Albert!

You can raise right here—and clean the table—that Prince Albert will win with you because it's true blue, any way you play it! Costs a dime to sit in and find out first-hand that all we claim for Prince Albert is case cards—signed, sealed, delivered—with the reputation of this great business right behind every grain of tobacco! Does that listen?
