Among the attorneys returning last evening from Pendleton, where they had attended supreme court, were District Attorney F. S. Ivanhoe and Colon R. Eberhard, of La Grande; D. W. Sheahan and Daniel Boyd of Enterprise; and A. W. Schaupp of Joseph. All the Walla walla county lawyers went on to their homes this morning. C. H. Finn and Geo. T. Portland, May 4.—A suit in which the U. S. government is seeking to recover \$300,000 for timber and 6880 acres of timber lands in Eastern Oregon from the Oregon Lumber company, and which involves the question of whether the statute of limitations is operative when evidence of fraud has been concealed, was re-opened in the federal court yesterday when Assistant U. S. Attorney Backman asked that the trial date be set.

Under the law, a patent to land cannot be attacked on the grounds of fraud for six years, but in this case deeds alleged by the government to indicate fraud have been withheld from record for six years. The government asserts that this action should extend the time for prosecution. David Eccles, president of the company is dead.

Mothers' Day

May 9th 1915

On May the ninth—Mothers' Day—the nation rejoices as one in honoring mother. It chooses flowers as the fairest and dearest expression of love.

A favorite plant or a charming floral basket will bring a glow of happiness to mother's face and warm her heart with precious memories and gratitude. Gladly too, does the mother welcome such a gift.

Flowers by telegraph, no matter where or when

For mother's memory flowers white

For mothers living flowers bright.
