MAY TERM IN WALLOWA BIG

IMPORTANT CASES TO COME UP FOR TRIAL.

Judge Knowles Now in Enterprise to Arrange Details.

Circuit Judge J. W. Knowles left this morning for Enterprise where he begins preliminaries to the opening of the May term of circuit court next Monday.

Important Cases Up.

Enterprise, May 6.—(Special)—The jurors will not meet until next Monday, and the two days before that will be given over to equity cases and the hearing of motions and to default cases.

Many Cases on Docket.

A suit against the county was filed by the Woolgrowers' Warehouse company on Tuesday, perhaps too late for trial at this term of the Circuit court. Damages of \$1223 are asked because of the destruction alleged to have been wrought by the overflow waters from a branch of the river in June, 1913.

In May, 1912, the complaint asserts, the county reconstructed the wagon road leading due south from town, and placed as bridges for the branch of the river, galvanized iron pipes imbedded in concrete. It is alleged that these pipes or tubes were of insufficient size to carry off the surplus water at the time of the mild freshet in 1913, and the overflow went north along the highway to the O.-W. railroad tracks, thence west to the warehouse, and into its basement. Timothy seed was soaked and spoiled, canned goods rusted, lumber was damaged, books were ruined and other articles were wet, it is alleged, causing a loss of \$1150. The expense of removing the goods from the basement was placed at \$83, which added to the other claim, makes the total of \$1223 asked.

The warehouse company is represented by Daniel Boyd and W. S. Burleigh. The action is brought under a new decision of the Oregon Supreme court, which ruled that county can be sued for damages.

The suit of C. E. Fones and J. E. Maher against C. Murdock, the Day Ridge rancher, which has been hanging fire in Portland since last summer, has been transferred to the Circuit court of this county. This is an action by which Mr. Fones sought to force performance of a contract made last Spring with Mr. Murdock. The contract in question was an agreement whereby Mr. Fones was to trade stock in his creamery, Portland real

estate, an automobile, and some notes, for Murdock's ranch.

Mr. Murdock, having won the suit over the personal property, has been putting up a stiff legal fight to hold the land, about 2150 acres of much value. The prosecution met with reverses in the court in Portland and so filed a new suit here. Mr. Murdock declined to conclude the transaction because he said Mr. Fones' performance was not up to his promise.

Pains and Aches Caused by Kidneys

Many women attribute ailments and suffering to some disease peculiar to their sex, when often the pain and misery is caused by weak or deranged kidneys. Household, office work or factory work may start the trouble, and dizzy spells, puffiness under eyes, sore muscles, stiff joints, discolored or scanty urine, sleep disturbing bladder ailments, rheumatism or diabetes may result. When the kidneys are strong and healthy they filter out from the blood the poisonous waste matter. When they are sluggish or overworked they need a medicine to clean them out and invigorate action. Foley Kidney Pills are prepared expressly for the purpose of dissolving all poisonous substances and uric acid that lodge in the joints and muscles and to cleanse and strengthen stopped-up, inactive kidneys. Thousands of men and women in all parts of the country testify to the wonderfully satisfactory results they have had from taking Foley Kidney Pills.
