REST ROOM AT Y COMPLETE

FORMAL OPENING TO BE MADE SATURDAY

Ladies of the Country Especially Invited to Use Facilities.
The Ladies' Rest room, which the Neighborhood club is responsible for furnishing, has been turned over to the Y. M. C. A. for the use for which it was intended. During the weeks which have elapsed since the committee from the club was authorized to have the furniture ordered for the room, the ladies have been busy selecting the equipment for the kitchen. Now that their work has been completed the Y. M. C. A. will, on Saturday, throw the kitchen open for inspection and the Ladies' Rest room officially open for use of the ladies in La Grande and the surrounding country. Both the board and the club committee express the hope that many of the ladies may come to the building on Saturday to learn the nature of this room which is to be for their use. Men are also invited to inspect these newly furnished departments of the Y. M. C. A. Beginning at eleven in the morning and on into the evening a committee of ladies will serve cake, sandwiches, and coffee at a small charge to any who may care to indulge.
