ALICEL SCHOOL YEAR ENDED

FITTING EXERCISES CLOSE THE SCHOOL.

Invitations Sent Out For Gathering Leagues Sunday Night

Alicel, Ore. May 17.—(Special) The Alicel School closed last Friday afternoon with appropriate exercises. The morning was spent in regular school work and at the noon hour a very sumptuous feast was spread, only such as the Alicel ladies can spread. Following the dinner was a ball game that was enjoyed by all. After this followed a nice little program which was made up between the rooms. The upper grades was in charge of Miss Flora Davidson and the lower Miss Edna Martin. The school for the year was very successful.

A crowd of young people gathered at the Webb home Friday night and enjoyed a fine time in honor of the Misses Davidsons who are leaving our neighborhood.

Saturday afternoon the Eighth grade of Imbler played the boys of the same grade here and a great time was enjoyed by the boys and those who attended the game. The close of the game revealed the fact that Alicel boys had beaten. The game stood 3 to 8 in favor of Alicel. These boys will have three match games. In two weeks our boys go to Imbler. It is fair to the Imbler boys to say that they did not have their regular lineup. But Alicel boys think that will make no difference anyway.

Miss Flora Davidson who has taught our school for the past two years and her sister Miss Crystal who taught Valeria school last year, left Sunday afternoon for their home at Grant City Mo. Miss Crystal expects to spend the summer term in the State Normal of Missouri and Miss Flora will enter the University next fall for completion of a degree course.

There will be another ball game between the single men and the double men next Saturday afternoon. The line up will appear later.

Rev. Harry Cleaver of Alicel filled the pulpit in the Island City church last Sabbath morning and also preached at the Iowa school house in the afternoon. Harry with the help of old "Diamond" is becoming quite a circuit rider.

There will be a union meeting of the Epworth Leagues of the vicinity in Alicel next Sunday evening. Invitations have been sent out to Elgin and Imbler, Island City, Union and La Grande, and we hope that we will have young folks from all of these places.

First of all

put one right over the fence and score for yours truly via Prince Albert, tobacco that made three men smoke a pipe today where one smoked before, and put new notions into men who know what a real makin's cigarette can taste like!

Why, to fire up a jimmy pipe packed with P. A. or to pull on a P. A. makin's cigarette is just about, just about! Never was such tobacco, because no other tobacco can be made like

PRINCE ALBERT

the national joy smoke

Sooner or later you'll go to this wonder-smoke as little apples grow on trees. Just can't help it, like! P. A. is so good and true, such chummy tobacco, that men just go happy about it. You get it into your system without losing any more time that you'll strike 18 kt. gold just as soon as you fire up a jimmy pipe or roll up a makin's cigarette with P. A.

Also, get these few remarks: Prince Albert is produced by a patented process that cuts out the bite and the parch. Prove that at the cost of a dime before you do the next thing!

Also, nail this: Just you be game enough to lay a dime against a tidy red tin—and cheer-up your smokappetite!
