PROGRESS PINS REACH IMBLER

MANY EIGHTH GRADE PUPILS REWARDED.

Spraying on in Imbler District—Other Imbler News.

Imbler, May 20.—(Special)—Miss Mae Furman returned Tuesday from an extended visit with friends in Elgin and the Looking Glass neighborhood.

Henry McGoldrick and wife spent Saturday in Elgin.

W. V. Connor and family went to La Grande Saturday and returned Monday morning.

Charley Squire, William Glenn, Guy Garmes and a number of other ball fans went to La Grande Sunday afternoon and assisted the boys in winning the game played with the O-W team.

The Alical school closed Friday and Austin, Effie and Gladys Martin went down to enjoy the program and picnic dinner.

Miss Edna Martin of Imbler was the primary teacher.

We are pleased to see I. A. Bingham back in his old haunts after his sojourn in the hospital at La Grande.

Last Sunday the Imbler Epworth League held the semi-annual election with the following result: President, Edna Martin; first vice, Edna Holmes; second vice, Lola Jaskill; third vice, Marvel Cleaver; fourth vice, Mary Holmes; secretary, Harry Cleaver; musician, Eula Watkins; and Junior Superintendent Mrs. H. McGoldrick.

Next Sunday evening the local chapter will attend the union gathering at Alical, as will also the church, and no services will be held at the Imbler church.

Miss Bessie Page and her brother Richard, of North Powder, are visiting at the Page and Fuller homes.

Joe Keown and Ina Watkins are the latest victims of mumps.

Haskell Andrews and wife, spent Sunday with the former's parents, Mr. and Mrs. James Andrews.

Manager Wiggans, of the local "movie" has signed up for a number of good films, "Quo Vadis" and "The Last Days of Pompeii," being on the list.

The nine members of the 8th grade not only all received diplomas from the county superintendent but each one is wearing a gold progress pin, secured by sending the first hundred drills to the Palmer Writing headquarters at Cedar Rapids, Iowa. So far as we know, this is the first entire class to receive such pins in the county, if not in the state.

At the regular M. W. A. meeting Tuesday evening the new camp deputy, Lucian Weeks, brought in eight applications for memberships, all of whom were "white-balled" and are ready for application to the head camp. Neighbor Weeks promises another conscription list for the next regular meeting, the first Tuesday in June.

Work is starting on the Thomas Ruckman house.

Spraying and pruning are in progress in the orchards but the showers are delaying the former and most orchard men are doing little pruning on account of market conditions.

"Grandma" Conklin is recovering from the effects of a severe fall she experienced a few days ago.

A TONIC THAT TASTES GOOD AND DOES GOOD

In Meritol Wine of Cod Liver Oil you get all the remarkable tonic and strength-building properties of the oil with the bad taste and the digestive difficulties left out.

It builds up the tissues of the body, restores energy and cures chronic throat, lung and bronchial troubles. Very pleasant to take and helps almost from the first dose.

LADD CREEK ON RAMPAGE

STREAM HIGHER NOW THAN IN SPRING.

Farmers Elated Over Prospects of Bumper Grain Crops.

Ladd Canyon, Ore., May 19.—(Special)—Ladd creek is very high as a result of the hard showers which have prevailed all last week and so far this week. In fact it is now higher than it was any time during the Spring. Farmers are jubilant over the fact that the alfalfa is growing splendidly after the cut worms had begun to make the crop situation look pretty serious in a good many fields.

Ladd Canyon people were very much surprised a few Sundays ago when they discovered that many of the men, including the married men of the neighborhood, were good baseball players. The fans of the neighborhood have enjoyed three good games, the first between the married and single men, the married men making the most tallies, and the two latter ones were between a team from Old Town and Ladd Canyon, with the former team, which is considered a good one, winning. Baseball goods have arrived and George Crosby has been elected captain, and as soon as he gets his team chosen, with a little more practice they will likely show the visiting team some hard old games.

Miss N. Mallory finished teaching a nine months term of school here Friday, the 14th. The pupils all carried their lunches that day as usual which they spread together in picnic style, with a bounteous treat of goodies from the teacher. A nice book was awarded the pupils who had accomplished the best work in each of the grades. Parents came in the afternoon to hear the program which they had prepared and a general good time was had. Mrs. Henry Peebler gave a little farewell party at her home in the evening in honor of Miss Mallory and a good many of the young folks enjoyed the evening with her. She left the following morning for her home at Flora, in Wallowa county, leaving a host of friends behind her who will ever remember her as a teacher of sterling quality.

Mrs. Mary I. Counsell and children have fully recovered from the mumps. Miss Lulu has been suffering intense pain with a very bad case of eye-itis, but is now much improved.

The children of Tom Bates and F.

S. Wilson get through with the mumps nicely.

Mrs. Dick Peebler and children drove up to Sunnybrook Farm, three miles above Union, last Sunday, where they spent the day with Mr. and Mrs. Redge Heryford, who now reside there.

ROOSEVELT JURY.

(Continued from Page 1)

apparently agreed in favor of Roosevelt, court attaches did not venture a guess at.

The jury returned a verdict this morning in favor of Colonel Roosevelt, but recommended the costs of the case be divided between the plaintiff and defendant. The foreman announced the verdict was unanimous, but when the jury were polled it was found one jurymen voted in favor of Barnes. The judges declared the verdict illegal, and the jurors were sent back for further deliberation.

Transformation Day Exposition

San Francisco, May 21.—Evolution in transformation will be demonstrated at the Panama Pacific Exposition today when Transformation Day is celebrated. The feature of the proceedings is to be a procession.

In the rear of the parade will come an aeroplane of the latest model, showing transformation in its highest development. Limousines, locomotives, stage-coaches, bicycles, model ocean liners and all other forms of vehicle are to have their in the procession in the order of their evolution.

Minister Formerly a Conductor

Bager, Minn., May 21.—Rev. Calie E. Saunders, "conductor" of the Methodist Episcopal church here—and said by his district superintendent to be one of the most promising ministers of the distriet—was a former railroad conductor.

For years he made couplings of cars in flying switches. Now he's making couplings of humans, but not quietly, and the only thing upon which he gets to throw a switch is as he says it "to throw a switch to place some human on the track of virtue."

Ice Sale Starts.

Further evidence of Summer being here despite the low temperature prevalent, is seen in the fact that Fred Young is now running his ice wagon. He is selling ice taken from the river and tests of the water were made at that time which shows, he asserts, the water was chemically pure.

Whitman Trophy Given.

Whitman College, Walla Walla, May 21.—A handsome basketball trophy was presented to the College this week by F. D. Applegate, physical director of the local Y. M. C. A., who coached the Whitman basketball team last season. The trophy is an oak shield with bronze mountings and letterings, containing also a picture of Whitman's basketball squad and a tablet with the conference records. This souvenir of a successful season will be hung for the present in the hall of Memorial prior to its permanent resting place in the athletic trophy room.

Pure River Ice.

Fred Young is now running his ice wagon. He can furnish you with just as pure ice as ever was frozen. Free from dirt and impurities. Phone Black 631.—Adv. 5-21-1f.
