

We Can Supply It

If, in handing you a prescription, the physician says, "You may have some difficulty in finding one of the ingredients in this," come directly here. We will have it if it's to be had. All new or rare drugs come to this store first. As soon as anything new appears we stock it because our prescription business is so large and comes from so wide a territory that we are sure to soon have a call for it. We carry, and have demand for scores of remedies that many drug stores do not handle at all.

H. E. ROSKAMP, Contractor & Builder

Will you trade a few minutes of your time for some good hard American dollars—lots of your neighbors are supplying their tables from our store—they are not only getting the best, but are saving money. They will be glad to verify this. DO YOU just kick about the hard times, or do you look around and make comparison? High cost of living is largely due to waste.

OUR POLICY is large volume, small profits, and elimination of waste. Nor do we wait to have dropping prices forced upon us. We drop them with the market. Not the week following. Ask your neighbor about this—it will take just two minutes. Then if you really and truly want to reduce your living expenses, you will telephone your order daily to MAIN 76.
