For a home, a profitable farm, or an investment, Palmer lands cannot be equalled. Farms and ranches of any nature desired, from 80 to as many acres as desired, aggregating at least 4000 acres, all as good land as any yet sold, are still left. We have many inquiries and confidently expect this entire body of land will be sold in the next few months. If interested, call and let us show you photographs and maps and explain further in detail. We can find what kind of a place you want and will take you to the places that will most likely suit your needs, and return in one day on the O.-W. R. & N. The time between trains at Palmer Junction is six and one-half hours, which gives ample time to look over much of this land. If a longer stay is desired, accommodations for board and lodging can be arranged. The roads are in good condition to drive over with wagon. Our representative will either meet you at Palmer Junction, or go down with you at any time you wish.
