OREGON NEWS IN A NUTSHELL

Elgin News Items
 (From Elgin Recorder)
 J. K. Wright, well known business man of La Grande, and a member of the La Grande Investment Co., was a business visitor in Elgin yesterday. Mr. Wright is one who still insists that the potato industry will eventually become one of the leading paying industries of Union county, and he and his associates have ground prepared for the planting of 100 acres on holdings at Imbler and near La Grande.

At the close of the regular meeting of the Knights of Pythias last Tuesday evening a "spread" was served in the banquet room in honor of Geo. Lingreen, who will soon depart on his regular visit to his mines in the Cornucopia district. The Knights always can plan on two "feeds" each year—one when George leaves for the mines and one when he returns, but it is needless to say that the ones in honor of his safe return are always the most enjoyable.

L. B. Tuttle spent Sunday at Joseph going there in the interests of the Elgin Concert Band an orchestra. While their contracts were made with J. F. Egenesperger, manager of Wallowa Lake Park, for a three-day engagement for band and orchestra on July 3, 4 and 5.

To Erect Business Building
 L. J. Bibler, who has conducted a grocery store in this city for several years past, has bought the Parks lot opposite the First National bank building and will immediately begin work on a new brick structure. The lot purchased by Bibler is 651-2 x 87 feet, and abuts the D. Sommer brick, in which is located the office of the E. O. Light and Power Co. and the Elgin Garage.

Mr. Bibler is now receiving bids for the construction of a fire proof brick building 37x65 1-2 feet, and expects to award the contract within the next ten days, and actual construction work will be under way in less than two weeks, if weather conditions permit.

The new structure will be only one story at present, but will be constructed in a manner that will permit of adding an additional story and will be absolutely modern. The front will face the east.

The Bibler store has for the past several years occupied the corner room on the floor of the Hallgarth building, just opposite the lot on which the new structure will be erected.

Max Sommers to Be Next Editor
 At the annual student election at University of Oregon during the past week, Max Sommers, who is taking a course in Journalism at that institution, was elected as editor of the Oregon Emerald, the official paper of the student body. He was managing editor of the Emerald the past year, and the strongest argument that he "made good" this year is the fact that the student body elected him as editor of their paper for the next year. Over six hundred votes were cast at the election this year, the largest in the history of the State University. Max made many warm friends during his few months' residence in Elgin last summer who will be heartily glad to know of his well deserved honors at this chosen college and in his chosen profession.

The Emerald is a four-page paper, published tri-weekly, and it is no small job to be editor of such a paper, but we believe that Max will be fully equal to the task.

Willard McCully, O-W. R. & N. fireman of La Grande, passed through Elgin Monday enroute home from a business trip to Lostine, his former home.

Memorial Day Service
 Memorial Day Services will be held at the M. E. church Sunday May 30th, at 11 a. m., and Decoration Day services will be held at Jorgason hall at 2 p. m. Monday, May 31. There will be a regular program at the hall prior to the March to the cemetery. All are invited to these services.

Send in the Entries.
 Stockmen are advised that the Stock Show classification books are now ready and that the time for receiving entries has arrived. Quite a few entries are already in, and more coming every day. Let stockmen send in their entries as soon as possible, in order to avoid the rush the last few days.

Stolen Horse Heard From
 Ed Miller this week heard from the horse that was stolen from his barn about three weeks ago, in the arrest of Clyde English at Canyon City. English was arrested on another charge, but had a horse that answers to the description of the one lost by Mr. Miller, and had sold the animal for shipment. Mr. Miller was getting his bearings this week, and will endeavor to stop the shipment and have the man tried for horse stealing.

A Gypsy's Warning
 A lot of gypsies have been doing the town this week, and a beautiful young maiden tells fortunes—the same old story—money coming—you have enemies, but will come out all right, will take a trip soon—have one coming—you are happy in the face, not in the heart—blow this coin, blow the handkerchief, good luck—two bits, etc.

(From Joseph Herald.)
 At a meeting of the county court last week an official order was made

appointing Fred McCully to take care of Wallowa county's exhibit at the San Francisco exposition from June 15th to August 15th, at a salary of \$150 a month. Mr. McCully is to pay his own expenses.

Rev. R. E. Close, pastor of the Baptist church at La Grande, was here between trains Monday and performed a baptismal service at the Lake. Mr. and Mrs. Jassie Quinn and Miss Zola Quinn of the Divide district were baptized by Rev. Close at a later date.

John E. Crymes, of the American Sunday School Union, spent Monday in Joseph. Last Sunday morning Mr. Crymes addressed Pratt Sunday school and took a photograph of the crowd, 67 being present. In the afternoon he spoke at O. K. gulch, while at night he conducted a service at Crow Creek Pass, which was largely attended.

Prof. J. J. Sturgill, for the last two years Superintendent of the high school at Milton, has been engaged as Superintendent of the Joseph high school. Prior to going to Milton Prof. Sturgill was Superintendent of the North Powder school for four years. He has had a great deal of experience in teaching and if recommendations count for anything Prof. Sturgill may be classed as one of the best instructors in the state. He has a wife and grown son and daughter.

SENIORS GIVEN DIPLOMAS.

Dr. O. M. Dodson Presents Parchment Rolls to Large Class.
 Baker, May 24.—Forty-six seniors of the Baker high school, standing on the stage at the Baker theatre last night received their diplomas for completing the four year course, Dr. O. M. Dodson, president of the school board, presenting the parchment rolls. The girls were uniformly attired in white, each carrying a bouquet of red roses, the class flower, while each of the boys wore a single blossom in his buttonhole.

Following the invocation by Rev. A. R. Willett, the class song was given, after which Harry Swan delivered the salutatory. He spoke of the debt owed to the taxpayers and merchants of Baker by the graduates, and voiced the wish of the class to become worthy alumni of the school and loyal citizens of the community.

Miss Nalla McClure in reciting the class poem, placed herself in the mental attitude of an old woman, looking back on her happy high school days. John Cox, valedictorian, spoke of the terrible struggle now raging in Europe, and asserted that the hope of the race in attaining world peace, lay not in disarmament, but in education in its broader sense, resulting in the elimination of racial antagonism.

President P. L. Campbell of the University of Oregon, addressed the class, congratulating them on their completion of the second step in their education, and advising them to take still another in order to be on an equal footing with the men and women of today. So called higher education, he said, is not for a select few but for everyone. The ideal education, he asserted, is a combination of the training for efficiency, coupled with the cultural branches.

"America today has justified her educational system in her attitude toward European nations during the great war," he said.
 Superintendent A. C. Strange, of the city schools, announced the granting of scholarships at Whitman and Pacific university to Miss Cordelia Hudson and Miss Ethel McKinney. The farewell song of the class concluded the evening's exercises.
 Baker, May 20.—Fathering a movement which is to have as its ultimate aim the recall of Mayor Palmer and City Commissioners Henry and Anderson Finley, M. F. Newton announced last night that a pamphlet would be issued shortly making serious charges against the present heads of the city government. Just what the charges will be he refused to say, but intimated that

Real Excellence

"SOMETIMES GROWS ON TREES"
 —but it took a heap of effort and skill to produce the trees.
 Excellent Dry Cleaning is the natural product of our plant; but it requires a lot of expensive equipment and a skilled operator to get results. We have them, —they are at your service.

Cherry's New Laundry, Inc.

the recall petition which will follow will hinge partly on the failure of the city fathers to install a municipal light plant and their action a few weeks ago in turning down a petition for a special election on an appraisal ordinance having in view the extension of the city lighting and power system.

Mr. Newton stated that in addition to the pamphlet, he is in communication with no less than five newspapers, which, he said will print the charges he has to make. After the matter has been given a thorough airing, he said that petitions for a day afternoon recall election would be circulated. That the move is well advanced was indicated when Mr. Newton stated that the candidates who it is planned to have succeed the present officers, have been already selected. He would not divulge their names, but denied the rumor that Robert Service would appear on the recall ticket as candidate for mayor.
