Little Offering of Lamb—Montana Beef Comes Forward.

Portland, May 25.—With the exception of two loads brought to Portland from a Willamette valley point, there were no offerings of mutton or lambs in the yards over Sunday. Movement of mutton to market is very disappointing to the trade. It is stated that outside buyers are busily engaged at interior points in grabbing every available head of stock and for that reason the interior is unwilling to ship in this direction. Heavier offerings of hogs than expected appeared in the North Portland yards over Sunday. Totals were 2080 head. While this amount was fractionally smaller than last Monday, it was above the expectations of the trade.

Heavy supplies of Montana and Utah cattle came forward to the North Portland market over Sunday and the trend of the trade was slow and weakness visible in spots. Fifteen loads of Montana stuff were brought in from one shipper from Anaconda while Utah offerings of pulp stuff were six loads.

Beware of Ointments for Catarrh That Contain Mercury
as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.
