

HAMPTON TO BOSS SCHOOLS

PENDLETON DECIDES TO DODGE SELECTION.

High School Principal Will Take Landers' Duties.

Pendleton, May 26.—Following closely upon the resignation of Supt. J. S. Landers comes the announcement today that no successor will be elected at present but that the public schools of the city will be in charge of Principal A. C. Hampton of the high school during the coming year.

with Miss J. Arline Cleveland, normal school instructor, as assistant. Formal action to this effect was taken by the school board last evening.

Speaking for the board, Chairman Brock this morning made the following statement:

"It was unanimously decided by the school board not to employ a superintendent for the Pendleton schools for the ensuing year and the superintendent of the schools would be placed in the hands of Prof. Hampton with Miss Cleveland as his assistant. Prof. Hampton will retain his present position in the high school as principal, acting also as supervisor, while Miss Cleveland will not only retain her present position as teacher of the normal course but will supervise the work in the grade schools.

"This action is being taken so as to enable the school board to take what time be necessary in selecting

a suitable man for the superintendency of the schools. There are a number of applications for the position, which will require time on the part of the board to make proper investigation and to come to a decision."
